TILLIE BURGIN

"This service that you perform is not only supplying the needs of the Lord's people, but is also overflowing in many expressions of thanks to God" - (2 Cor. 9: 12).

Dear friends,

As the Thanksgiving season draws near, we realize again that we have so much to be thankful for.

Every day - the way you support *the Mission* - makes a difference in the lives of ordinary people who truly need your help .

This week, a man and his wife came in with a car they were donating. When he was a boy, there was a time when his family had no food. At their lowest point, they heard a knock on the door, and there they met a person wearing a Mission Arlington® name badge, holding bags of food. Reflecting back, he had "no idea" how Mission Arlington® knew that they had nothing. He told us that this was the "first time he had experienced God's love."

He dropped off the car, because **he wanted to do for someone else what had been done for Him.**

Thankful hearts like his,
and yours, change the world.

That's extraordinary!
