The Timberview High School softball team went to bat for Mission Arlington again this year, along with other students and staff at the school, to round up 79 turkeys to serve those in need on Thanksgiving. Coach Donya Mooney and her team led the way, with help from the baseball team, boys soccer squad, student council, JROTC, football team, teachers, students and staff, to collect \$700 to purchase the birds.

“Not everybody gets to have a big Thanksgiving dinner,” said Mariah Denson, who has been collecting for three years.

Tille Burgin, executive director of Mission Arlington, praised the students, saying “Everybody should learn from you.”

The Arlington charity has received 3,000 turkeys so far, Burgin said, but needs 5,000. Mission Arlington, 210 W. South St., will be accepting turkeys through Thanksgiving.
