Because of all of our faithful supporters, Mission Arlington/Mission Metroplex was one of the top 3 recipients of the Kroger "Neighbor to Neighbor" funding. We thank you for your support during the last year.

It is now time to re-link your Kroger Card to our agency. Even if your card has been linked in the past, it is necessary to re-link your Kroger Card for the 2009-2010 program year.

HOPE for All of Us ★

Day after day people come by to share their stories with us. One family came to volunteer and said, "Our family came to Arlington due to Katrina. We had only the clothes on our backs, but we found **HOPE** at Mission Arlington. Today we're doing fine, and we came to give back and volunteer."

Another story was of a young man who stopped by my office and is now a dental assistant. He wanted to remind me of how the Mission Arlington volunteers continued coming to his door with food and furniture when he was a boy. He began attending Bible study and found his life changing. He came by to say, "Thank you -- because I would not be where I am now if Mission Arlington had not taken care of me."

There is no life insignificant or anyone who can be thrown away. Your constant giving helps show others in crises that there is **HOPE for all of us**. You are a community who really cares. The front doors can stay open and receive the people with love and kindness and a "Yes, we can help you" because of your support.

Bright Eyes and Pretty Smiles ★ Youth Vision/Dental Day ★
