TILLIE BURGIN

2017 was a wonderful year, and 2018 is off to a good start. We are grateful for you.

Tillie has been the team leader here for 31+ years, since August 1st, 1986.

Please drop by to see us when you can. Thank you!

We want to thank you for all you have done during this special Christmas Season; however, as we say so often at Mission Arlington®, “It is Christmas here every day!”

One letter we received stated they just wanted to come to *the Mission* and be in the midst of the love and compassion they felt when they came here several years ago to receive some much needed help. They said

It wasn't that we were able to get all of our rent paid, and it wasn't about getting a pair of shoes for my child that fit. It was more about the love, care and compassion I felt while waiting to be seen, and then when I was seen, the people prayed with me. I had never had that happen before.

I tell everyone that 'If you need anything, go to the Mission!' Even if you just need a 'heart lift' or someone to listen to you -- you will find all of that at Mission Arlington®.

Thank you! Because of the way you continue to give, there is a **Joy** that cannot be described, but it is certainly experienced at 210 West South Street.

GOD BLESS YOU, AND LOVE TO YOU ALL,

SPRING BASKETBALL LEAGUES

Hundreds of children & youth attend hour basketball leagues in February & March. They learn how to work together, while getting good exercise, and experiencing various basketball skills.

The children also enjoy a teaching time from the Bible, taking away something that will help them grow spiritually. **We are grateful** for your constant support of our ministry with children & youth.
