

MISSION ARLINGTON[®] MISSION METROPLEX

Winter 2010

A New Year Begins

Volume 10, Issue 1

It is such a special time when I have the opportunity to write to you personally. We are so grateful for you. In this newsletter we want to communicate the different activities and tools that God gives us to help the people in our community. So many are having difficult days. One lady recently wrote to us:

“I am now working at a hospital and want to thank you for helping my grandma and me with what we needed. I promised myself that when I got a job I would give to you the first monies I received. Please accept this check for the Mission.”

If you ever have any questions about Mission Arlington/Mission Metroplex, or if there is anything we can do for you, we welcome hearing from you.

We cherish our partnership with you. Please know that your gifts really do make a difference.
