**TILLIE BURGIN**

Last Thanksgiving, you helped us provide turkeys and a Thanksgiving meal to a record-setting **26,095** people. Because of that, our food supply this year is starting behind. Can you help us begin now, so that we will be prepared on Thanksgiving Day? Thank you.

As you receive this Newsletter, please know our great appreciation and thankfulness for you. Our prayer is that you will feel the heart of the ones here at *the Mission* who want to communicate with you personally.

Recently we heard about a child who came home from school and said: “I don’t want to go back to school.” The mom (a single parent) asked “Why?” The child responded that: “People make fun of me.” The next statement was “Can we go to *the Mission* and get some clean clothes?”

The family came in to see us, and because of the wonderful donations of children’s clothes and other items, we were able to help with everything this child needed to feel good about going back to school. We want you to know that **nothing you give is insignificant.**

Many of the families who receive help in the front room come back to volunteer. One day a mom and her children came for help and were invited to one of the Mission Arlington® congregations near them. They came the following Sunday, and the children and parent had a place to study God’s word. Jesus fed them and taught them!

We would like for you to stay *in close touch* as 500 - 600 people come to *the Mission* daily, and the need will increase as the holidays arrive.

WE THANK GOD FOR YOU!

*Tillie Burgin*
