Tillie Burgin

Phil. 1:3 "I thank my God every time I remember you..."

Thank you! Thank you! Thank you! I would like to send you a note with nothing but thanksgiving for you.

There are hundreds of people who come through the doors of Mission Arlington looking for a way to get help. I listened to a lady this week trying to get courage to walk in for assistance. Another lady said to her,

*"It takes courage to walk through those doors, but once you are there you are treated with respect. I felt cared for and supported when I came. I was afraid, but that went away as soon as I was greeted by a Mission Arlington volunteer."*

We really do want all people to know that Mission Arlington is a place they will be cared for, and you help that to happen as you give.

Thank you, and please know you are special to me.
