Tillie Burgin

Dear Friends,

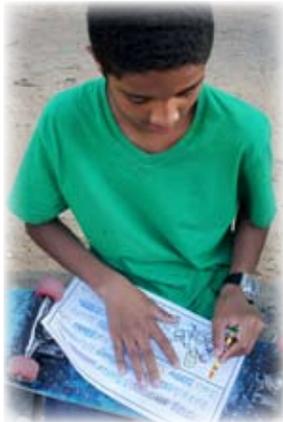

Thank you for the way you provide for the people who are in crisis. You don't always get to hear word of their gratitude, so I want to share this note with you which we received recently:

*I want to thank Mission Arlington and Ms. Tillie for helping me out when I was in much need. You gave me food and gas money so I could get to my interview last Thursday. I had no idea that there is help like that. I got laid off from my job and this is the first time I needed help. Your staff is friendly and very helpful. Thanks to all of you.*

John 13:34b. "As I have loved you, so you must love one another."

We want you to know that your gifts are making a real difference. We thank God for you. Bless you, our dear friends,

## MISSION ARLINGTON® MINISTRIES THIS SUMMER

Student groups from across Texas and around the nation will come to Arlington this summer.

500 students will lead **RAINBOW EXPRESS** each week - songs, crafts, games, and Bible stories.

Last year, attendance at these events topped 36,000 children.

Yes, we know it's hot outside, but there is something refreshing about worshipping God outside under a tent. People find and "re-find" God at the **TENT REVIVALS**.

### FREE SUMMER CAMPS FOR YOUTH AND CHILDREN

We will host 7 different free summer camps during the month of July for the children and youth of our community. These are lots of fun, and the young people learn about God's love.

Moms wait in line last year to get **SCHOOL SUPPLIES** (FREE) for their children and teenagers. **9,000 students** received help last year.

**SCHOOL SUPPLIES ARE NEEDED RIGHT NOW.** Go to our website to find out how you can help! Or call 817-277-6620.

Dr. Chili Robinson

Dr. Chili Robinson (pictured left) is a plastic surgeon who serves at our **FREE MEDICAL CLINIC** on Tuesdays. Early in June, a man came to the clinic with a **large mass** (a keloid) dangling from his left ear. The mass was the size of a small orange. Dr. Robinson saw him sign in, took him in immediately, and removed the mass. The patient was so thankful, he was in tears. We are grateful for all of the medical volunteers like Dr. Robinson who take care of people here five days each week. The Medical Clinic treated **977 PATIENTS** this month.

Thank you for your interest in the Kroger Neighbor to Neighbor Program. It's time to relink your Kroger card, so that your purchases will support our work here. Please take the bar code above to your Kroger store and have them link or relink it to your Kroger Cares card.

**Our FREE DENTAL CLINIC**  
TREATED **683**  
**PATIENTS** IN  
THE MONTHS OF  
APRIL AND MAY.

*Volunteers at the dental clinic donated **772 hours** in May*

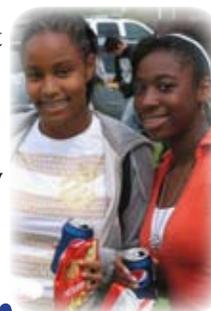

**4,290 FREE RIDES PER MONTH**

*South Davis Elementary Students*

We transport students to school and people to services they need to help them get on their feet.

**FOCUSED ON OUR YOUTH**

2,000 students each week attended our after school programs in 40 locations this Spring. 1,700 Sam Houston students (pictured left) came to a hamburger cook-out just for them.

**YOUR DOLLARS GET WHERE YOU WANT THEM TO GO!**

**We are accountable to you.** According to our most recent audit, Mission Arlington/Mission Metroplex's administrative overhead is **2.8 percent** of our income.

More than **97 cents of each dollar** you give goes directly to the people in need.

We do this by using volunteers, limiting purchases, and "watching our pennies."

Thank you for giving. **Your support really matters!**
