MISSION ARLINGTON AT THANKSGIVING

VOLUME 05, ISSUE 5

**TILLIE BURGIN**

“Rejoice always! Pray constantly. Give thanks in everything, for this is God's will for you in Christ Jesus.”

1 Thess. 5:16-18

There are many receiving help at Mission Arlington who ask “How can I say thank you to those who give?” I always tell them to “start helping another,” and so many do! Because you give, those who are in crisis can find their way back to dignity and completeness. You would be pleased at the changed lives.

One young man stopped by recently to tell us how he has been clean from alcohol for over a year. When he received help from Mission Arlington he realized there must be a God who really cares. This was the start of his journey back to health and wholeness.

So today he is buying a home. He is getting married this month, and he gave a \$100

check to us! He said, “I just want someone else to have the same chance I did.”

That “someone else” will get a chance, because he gave. This young man had a chance, because you gave. And on it goes in the wonderful circle of God’s love. At Mission Arlington, we get the opportunity to watch it all unfold.

Every chance we get, we want to tell you how important you are to us. We do pray for you and your families. Thank you for walking with us so faithfully.

HAPPY  
THANKSGIVING!

*Mission Arlington will serve more than 10,000 people on Thanksgiving Day.*

**Faithful Together**

**By Jim Burgin**

Jesus taught us to treat other people as we would want to be treated ourselves (Matthew 7:12). Your support for *Mission Arlington* constantly reaches beyond your own circumstances to help people who are experiencing difficult moments in life.

You treat people you don't know as if they were a part of your immediate family, thereby fulfilling Christ's "Golden Rule." The paragraphs below share stories from real people whose lives you have touched through *Mission Arlington*. . . . .

One mother, whose husband was taken to jail, continued to work. With the unexpected loss of income, it was getting more difficult each day to make ends meet. At the end of the month, she had only a few dollars remaining. She had to decide whether to buy toothpaste or shampoo for her family, because she couldn't afford both. She knelt to ask God for help and wisdom. When a Mission Arlington Bible study leader offered her a tube of toothpaste, this young mom began to cry and give thanks to God. The Bible study leader didn't know anything about the situation, but God did. **You provided the toothpaste.** . . . . .

A family living in a central Arlington apartment community didn't have any furniture. Mission Arlington volunteers carried beds upstairs and placed them in the bedrooms. There were four young children in the home. The children were so excited to be getting a bed. The eight year old couldn't stop touching the beds, repeating over and over, "Look mom! Look, mom!" The mom had tears in her eyes and so did the volunteers. The children had been sleeping on the floor for weeks, but tonight it would be different. **You provided the beds.** . . . . .

The young lady appeared in our front room. She couldn't have been older than 19. Three years before, her mom had died and dad had remarried. Dad didn't want her anymore, so she was evicted. Rejected, alone, and homeless, she turned to the streets. She didn't want food, clothes, or financial help. She just needed to know that someone could love her. We shared with her God's love and ours. **Your financial gifts provided the people** she needed to share God's love at just the right time. . .

Because you give, we are here. Together, we can be faithful to help people until our Lord returns.
