Mission Arlington/Mission Metroplex

Vol. 10, Issue 5

*Tillie Burgin*

**I**t is such a privilege to share with you the difference you make as you give to and support Mission Arlington. I recently spoke with a lady who shared her story:

*“There was a time in my life when everything was so tough that I thought each day would never end. We had no food for the kids and no furniture in our home. We had sold everything to keep the electricity on. Then, we found Mission Arlington. They gave us food and a table to eat on. The kids were so excited! We all sat down before school and bowed our heads. We thanked God for the people at Mission Arlington who cared for us. What a blessing! It is amazing how quickly each day goes by now. When you have hope, everything just feels better!”*

Thank you, dear friends, for helping this family and many, many more.

## Your Generosity Makes Such A Difference: Thank You

Mission Arlington doesn't have fund raisers, grant writers, or marketers. With administrative overhead at 3 percent, we simply watch the pennies, give away what we receive, and try to love people in need one life at a time. Your support with material items and finances is a lifeline. **THANK YOU!**

On one **October Saturday morning**, cars line up at Mission Arlington to provide beds, couches, dining room tables, refrigerators, and more.

**Team Depot**, a wonderful team of employees from Home Depot, remodeled Mission Arlington's new Center dedicated for **Arlington's youth.**

**A love gift**, given by special friends, dedicated to the Mission Arlington family. Because you give so sacrificially and generously, we are truly a very blessed people. Thank You!

**To God be the glory!**
