Overview: So what are we doing on this trip anyway?

A visitor to Mission Arlington/Mission Metroplex once told us that we sometimes speak in code. We readily admit that so many different things are happening here that it can become a little confusing. This is an explanation of some of our key terms:

- **Mission Arlington / Mission Metroplex:** We are an evangelical ministry functioning in partnership with most of the local churches in Arlington from across all denominations. Essentially, we do two basic things (which are closely intertwined): 1) we begin Bible Studies which over time grow into churches in neighborhoods (mostly low-income apartment communities) all over this city and 2) we meet a variety of physical needs through free “benevolent” programs like medical clinics, food pantries, afterschool tutoring, and more. You will be partnering with us by leading evangelistic programs in the apartment communities and other neighborhoods where we have ministries and by supporting our benevolent programs.
- **Apartment Churches:** Mission Arlington began in 1986 with a very simple philosophy: take church to people who, for whatever reason, were not coming to a church building anywhere. On the first Sunday of August of that year, a Bible Study met in the living room of a woman who lived in a local apartment community. That first morning, seventeen people found that they could meet Christ in a church that met right where they lived. Today, we have teams ministering in different ways in more than 300 apartments, mobile homes, community centers, playgrounds, laundry rooms, and wherever people will gather. Any given Sunday, more than 5,000 people attend a Mission Arlington congregation in their own neighborhood.
- **Rainbow Express:** Rainbow Express is the name of the Backyard Bible Clubs you will be leading while you are here. Mission Arlington has been leading outdoor Vacation Bible Schools for our many apartment churches since the beginning. When these programs first began the volunteers that were leading them had a large portable stage built on a trailer that they pulled from site to site for puppet shows. This trailer, which was decorated with a rainbow, came to be known to the children as the Rainbow Express. Rainbow Express then became the name for all of the Vacation Bible Schools.
- **Work Projects:** Mission Arlington follows Jesus’ model of ministry: meet both physical and spiritual needs to provide a tangible expression of the Father’s love and people will be drawn to Him. Part of each day you are here will be spent leading Rainbow Express programs. With the remainder of each day you will participate in some of Mission Arlington’s many other ministries. This might include picking up donations, delivering furniture to families, working in the clothing room or the food warehouse, passing out flyers to invite people to an event, holding field days or other fun events in one of the apartment communities, or any number of other opportunities. Any special materials or training that you may need will be provided while you are here.

Schedule Information: Week Overview and Sunday

Week Overview

The most normal shape of a Rainbow Express week is this:

- **Saturday:** Most groups arrive Saturday afternoon to check in. We are open for check in until 8 pm. If there is a situation that prevents you from checking in by that time, please contact us before your trip and we will be happy to make arrangements to check in.

Every group's situation is different. If you need to adjust this schedule for whatever reason let us know. We can work together to help create a week that works well for everybody.

- **Sunday:** In the morning you will help us hold church services in the neighborhoods we work with. That afternoon you will join all the groups here for the week, plus our staff, for a worship time.
- *Note—some groups (because they have responsibilities in their home church services on Sunday morning) do not participate in Sunday's activities because they travel and check in that day instead. As with Saturdays, we are available to check in until 8 pm. (If for some reason you cannot have at least one adult check in by 8 pm, contact us ahead of time and we will make arrangements.)*
- **Monday—Thursday:** You will lead Rainbow Express these days. All groups will meet together twice: in the morning for a devotional time and in the afternoon for a brief worship service.

- **Friday—Saturday:** Friday is an optional day. Some groups continue to serve with us. Some groups go home Friday morning. Others take Friday as a free day for Six Flags or other recreational activity. All groups check out by Saturday morning.

More detailed schedules for each day are below and on the following page.

So, that concludes our very important announcements for this morning . . .

don't be *that* group

Please be on time to all the meeting times on your schedule. It affects everybody else if your group shows up late because you made a coffee run on the way.

If anybody asks, tell them we had a flat tire . . . and that we witnessed extensively to the guy that helped us change it.

We are very excited about a new evening Rainbow Express option.

We have begun to hold Rainbow Express in the evenings in some of our sites. These have been some of the best and most productive Rainbow Expresses we have ever had. We are able to connect with more people as we find more students at home from extracurricular activities or daycare, more parents at home after work, and more curious neighbors outside just to see what is going on. If you are interested in leading Rainbow Express in the evenings, let us know and we can work with you on schedule details that will work well for your group.

If you are doing Rainbow Express in the evening you might decide not to have either a morning or afternoon project to give your schedule more breathing room. We have also had some groups do the full day from morning until evening and find the extra effort to be spiritually fruitful and a strong bonding opportunity for their group. Let us know what will be best for your group and we will help make it work.

The Rules

We are praying that God will reveal Himself to your students during their time at Mission Arlington in ways that bring about permanent, life-changing discipleship. We believe these rules help us keep that focus.

DRESS CODE

Mission Arlington's dress code is very basic. We ask all participants to dress modestly, comfortably, and in something where they are ready to work. Casual dress is fine all week long, Sunday included. Here are a few specific requests we make of all groups:

- Shorts are fine all week long. Please no short shorts.
- Footwear is up to you, but because we do so much work and active play outside we recommend tennis shoes over flip-flops.
- T-shirts are great to wear, but please no tank tops or any other kinds of sleeveless shirts.
- Baseball caps are fine, but please wear forward at all times. Do not wear bandanas or any other type of head gear. (Winter headgear is okay if it's cold.)
- **Note—if a student chooses to dress in something that does not fit with our dress code, a Mission Arlington staff member will ask them to change before you begin your day's assignments. This only slows down your group and gives you less time to effectively minister during the day. So, please stick to the dress code.**

Please remember that there are certain things you might wear at home working outside in the heat but that may not be the right image for knocking on doors and asking parents to let their children go with you.

CONDUCT GUIDELINES

- **Be focused on the most important thing:** Mission work is full of surprises. God has a specific plan for you, and for the many lives He will use you to touch. The best preparation for this experience is spiritual. Keep reading your Bible daily, both before you come, and while you are here. Make sure you keep your quiet time with the Lord as a firm commitment. Don't miss your moments with Him.
- **Let's be good stewards together:** All of Mission Arlington's facilities are donated to us. Any money that goes into repairs and maintenance is less money we can use in our assistance programs. So, let's be good stewards of what the Lord has given us:
 - Don't adjust thermostats
 - There is no housekeeping staff. So, help clean up spills, take out trash, and generally be clean and neat. Don't do things that will create clean up jobs for other people (for example, don't use sidewalk chalk at Rainbow Express. It leaves work for apartment staff to wash it off.)
 - Don't do anything silly. We don't want to be unable to buy prescriptions for our medical clinic because we had to patch sheetrock or replace windows. (This includes in the apartment communities.) Don't roughhouse. Don't use any balls anywhere that aren't foam.
- **Help us present a good image to everyone.** We need to maintain a good relationship and a positive witness with everyone around your activities or facilities.
 - Make sure that your noise level is under control. Do not play loud music, stay up too late at your accommodations, etc. Help us be a good picture of Christ to those around you.
 - Be sensitive to other people's needs. Be courteous and grateful everywhere you go. It is especially *crucial* that you control the noise level where you are staying. We cannot have loud music, parties, outside games, etc. We want *everywhere* to be our mission field, and that includes where you sleep at night.

Accommodations: Where are we staying?

Some of you, we know, will be spending the nights in a hotel or other location that you have set up. This page answers common questions for the rest of you who have chosen to stay in the accommodations that we provide.

- **Where will we be staying?** Mission Arlington uses several different types of facilities to house guests. All of them boil down to the same basic concept: a safe, clean floor to sleep on, showers, and a kitchen. Smaller groups (anything up to about twenty people) generally stay in one apartment in an apartment community where we minister. Larger groups generally stay in one of our community centers or in a local traditional church that partners with Mission Arlington. Because group sizes have a tendency to fluctuate so much at the last minute, we do not make final assignments of who will stay where until the week before your arrival.
- **How much does it cost?** We do not charge anything to stay in any of our accommodations. There are costs involved for items such as utilities, rent, maintenance, etc. Voluntary donations are very welcome, but not necessary. We believe God always provides.
- **What do I need to bring?** It is a good idea to plan as if you were coming into a completely empty facility. Often our supplies get accidentally packed up by groups when they are leaving and they don't realize it is not a part of what they brought. So, to be on the safe side it is wise to bring or buy here everything you might need: toiletries, kitchen supplies, air mattresses, and more.

Volunteers preparing accommodations for an incoming group.

Here are some other tips to prepare for a successful experience in our accommodations:

- **Be flexible and unpack only what you need each day:** Mission Arlington/Mission Metroplex is a very busy place. All of our facilities are constantly being used to reach people for the Lord. When you check in for your trip, you will be given a schedule of any activities that might be happening in the location where you are staying. In other words, while your group is out leading Rainbow Express there may be activities happening in the rooms where you are staying.
 - **View your accommodations location as another ministry opportunity:** Every place where you will be staying, whether in an apartment or at one of our gyms, is surrounded by other apartments or neighborhoods where the people might know nothing of church except what they see in you. When you park your church van and climb out, the people around you know that you represent Mission Arlington, and much more importantly, our Savior. They may come over to ask you questions. The neighborhood children might want to play tag. Represent Christ in all that you do while you are there, from your behavior in the parking lot, to noise level inside, to how clean you keep the place. Let people see Him in you, and you will find that your “mission trip day” will not end when you return to your home away from home in the evenings.
- Be realistic. That means be prepared for all the adventure that comes from people sharing small spaces.
 - Plan on minimizing what you bring. Twin sized (as opposed to queen sized) air mattresses will take up less space.
 - Expect a small, apartment sized kitchen when you are planning your meals.
 - You will only have one shower for every ten to fifteen people on your group. Be as efficient as possible and leave yourself plenty of time to get everything done.

Packing Lists

Here are some items you will need for your trip. We want to minimize costs as much as possible. If there are some items you are not able to bring, check with us (our contact info is on page 2). We might be able to loan you some of the items you need.

If you are bringing a trailer for luggage, be sure to bring a hitch lock with you. We will have a place you can park your trailer during the week so you don't have to pull it around the city but you will want a hitch lock for added security.

For Rainbow Express, bring with you:

- Some of the memory verse activities require simple supplies like balloons or popsicle sticks.
- Tarp (at least 10' by 10'): excellent to use for the children to sit on during Rainbow Express
- Posterboard: use it for memory verse posters, puzzles, etc.
- Puppets: Mission Arlington has some to loan if you don't have access to puppets
- Some kind of staging for the puppets. If you don't have a puppet stage the two easiest/cheapest options are 1) hang an extra tarp or blanket across a broom handle or PVC pipe and have 2 volunteers hold it up or 2) many appliance stores will give away free large cardboard boxes you can use as an impromptu stage (see the illustration.)
- Any music you might need for your puppet time at Rainbow Express.
- Water cooler and drinking cups.
- Snacks. Mission Arlington will have some things available, but it helps if your church can also bring cookies, candy, chips, crackers, etc.
- Craft supplies: Mission Arlington will provide some glue, scissors, crayons, etc. You may find it helps your group run smoother if you have some extras.
- Games equipment: cones, hula hoops, etc. will be very useful during your game time. *Note: Please do NOT bring balls or frisbees unless they are of the soft, "Nerf" foam variety.*

If you are staying in our accommodations:

(Prepare as if you were coming to a completely empty facility)

- Materials for meals: remember that you are responsible for all your own food. Most groups do sack lunches or fast food for lunch. Breakfasts and dinners are up to you. If you plan to cook remember that you are only guaranteed access to a normal, residential apartment-sized kitchen and make sure to bring any pots or pans you might need.
- Paper products: paper towels, plates, cups, plasticware, etc.
- Cleaning supplies
- Each person will need their own sleeping bag, pillow, and air mattress. (Encourage everybody to bring twin-sized air mattresses. You probably won't have room for large air mattresses in the apartment.)

Preparing for Rainbow Express

For “Everyone who calls on the name of the LORD will be saved.” But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them?

Romans 10:13-14

Rainbow Express is Mission Arlington’s version of a backyard Bible Club.

Your group will be leading one or more Rainbow Express program during the week you are here.

The following pages will help you prepare your team.

• Step one: How many teams will we be?

- Rainbow Express is held in the apartment communities where Mission Arlington is holding, planting, or hoping to plant a church. The average daily attendance at any given Rainbow Express is 20-30 elementary aged children and a few youth. A team from your group of 8-10 college students, 10-15 high school students plus their sponsors, or 12-18 junior high students plus their sponsors is ideal for leading one Rainbow Express. Thus, a group bringing 15 people will be one team, a group with 20 is probably two teams, and a group of 45 could be anywhere from three to five teams, depending on the ages. *Note—decide how many teams you will be based on the size of your group, not on your transportation situation. We can make site assignments that will work with any transportation configuration: whether you are carpooling or renting charter buses.*

Don't form your teams much larger than recommended. There's a discipleship reason for this: teams of 10-15 size allow each of your students to have a specific, important role and gently pushes them to "step up to the plate." Forming teams too large leaves room for some students to not have to take ownership and initiative in leading a Rainbow Express. Let God have the opportunity to help your students rise to the occasion and use them in ways they won't expect.

• Step two: Who's on each team?

- Each team will need at least one adult sponsor (not necessary if the team is college students). The 10-18 students will each need one or more of the team member assignments explained on the next page. Use the descriptions and the worksheet provided to make team assignments

• Step three: Start practicing.

- Assign your students their roles, pass out the Rainbow Express materials (later in this packet) and then let them start learning their jobs. We recommend holding at least a couple of practice run-throughs if possible. One good option is let your team use their Rainbow Express material to lead children's Sunday School at your church for a couple of weeks.

• Step four: Gather what you need.

- We try to make the cost for your trip as low as possible. You should not need to spend much (if any) money on Rainbow Express supplies. On page 10 you will find lists of what you need to provide for leading Rainbow Express. We will have everything else.

Each Rainbow Express Team will have the following functions. Assign each student and adult per team to at least one of these jobs. More detailed instructions for each job are in the red section.

- **Adult team leader/Sponsor:** You will need at least one adult per team. College students can fill this role as well.
- **Song leader**
- **Memory Verse teacher**
- **Large group leader**
- **Puppet wrangler**
- **Games leader**
- **Attendance taker:** this person's responsibility is to make sure we have good contact information for *everybody* you make contact with during your mission trip so that Mission Arlington / Mission Metroplex can provide follow-up discipleship after you are gone. If possible, this is a good job for an adult.
- **Youth leader:** this does not refer to the youth minister but to a member of your Rainbow Express team that will be in charge of working with any teenagers that attend your Rainbow Express
- **Small group teams:** much of the Rainbow Express program will take place in small groups. *All* team members will help during the small group time. Assign each team member a partner. That pair will lead a small group together.

There is a blank team roster on the next page. Make one copy for each of your teams and write in who will be fulfilling each responsibility. These sheets should be passed out to each adult sponsor in your group and to Mission Arlington coordinators while you are here. (You will not be able to fill in the Rainbow Express site names until you are at Mission Arlington.)

Logistics Questionnaire

After reading through the entire blue section of this packet, please answer the following questions. The sooner you can provide this information to Mission Arlington, the more successfully we will be able to prepare for your time here. You can turn this information in one of two ways: e-mail it to Matt Hart at matt@missionarlington.org or fax it to us at 817-277-3388. **Please have this to us at least one month prior to your arrival.** Please answer all questions, even if you have already given us some of this information. It helps us double check our records. We know last-minute changes are common on youth trips. It is no problem for any of this information to change, just let us know as soon as possible.

- 1) Confirm the correct wording of your group name (so we don't accidentally call you First Baptist instead of First Christian the whole week, etc.)
- 2) Who will be our primary contact while you are here?
- 3) Is there anything we can do to help you prepare for Rainbow Express?
- 4) How many students do you expect to bring? How many sponsors?
- 5) Confirm the date and approximate time of your arrival at the Mission? (We are in the office until 8 pm each evening. If extenuating circumstances require you arrive later than that please make sure we know so that we can work with you on a plan to check in, receive your keys, etc.)
- 6) Confirm the date and approximate time you will be leaving from Mission Arlington
- 7) If you are going to be helping us on Sunday mornings please send us a list of names with a "T" by those people who are comfortable teaching a Bible Study and an "H" by those who prefer to help.
- 8) What type of transportation are you bringing (vans, buses, etc.) and how many vehicles?
- 9) How many Rainbow Express teams will you have? How many will be on each team? (Our suggested team size is about 10 to 15 people.)
- 10) What is a cell phone number where we can reach you as you are traveling or when you arrive?
- 11) Are you planning to stay in accommodations arranged by Mission Arlington?
- 12) Is there anything else we need to know about your accommodations situation?
- 13) Many of our accommodations are upstairs in apartments, etc, so please make sure we know if your group requires handicapped access.
- 14) Some of the local churches that are housing groups have kitchenettes (refrigerator and microwave but no stove/oven—meaning only the ability to prepare sandwiches, cereal, etc.) as opposed to full kitchens. We will make sure that every group that will be cooking has access to a full kitchen. If you know your group does *not* need a full kitchen because you are eating out in the evenings, etc. it will help us to know that ahead of time so we can match you with one of those churches.

Every year Mission Arlington/ Mission Metroplex makes mission trip t-shirts available for groups. *This is an optional expense—no one is required to buy shirts.* Shirts are available in sizes from Adult Small to XXX-Large for \$10 each.

There are three ways to order shirts: 1) buy them while you are here. 2) pre-buy with check or credit card and pick them up during your trip and 3) order with check or credit card and have us mail them to you (there will be an extra charge for shipping that will depend on how many shirts you purchase).

If you need more information about shirts, or to place an order, call Matt Hart or Debbie Musgrave at 817-277-6620 or e-mail matt@missionarlington.org.

Packing List

Here are some items you will need for your trip:

- 1) Bible: keep it with you all the time. It will be your most important lifeline for the week.
- 2) Sleeping bag or other bedroll
- 3) Air mattress or other cot (nothing bigger than twin size)
- 4) Towels, washcloths, toiletries
- 5) Your Rainbow Express material: your copies of the lessons for small group, plus any materials you need for your specific assignment (memory verse posters for the memory verse teacher, puppet music for the puppet wrangler, etc.)
- 6) Clothing: **see dress code on the next page**. Bring plenty of comfortable clothing and be ready for Texas spring weather, which means temperatures of anywhere from 50° to 90°. **Note—if you choose to dress in something that does not fit with our dress code, a Mission Arlington staff member will ask you to change before you begin your day's assignments. This only slows down your group and gives you less time to effectively minister during the day. So, please stick to the dress code.**
- 7) **A daily backpack:** (This optional suggestion is borrowed from some of our groups, and it has worked great for them.) Bring a backpack with any or all of the following items:
 - 8) Extra Bibles to give away
 - 9) Small, basic first aid kit
 - 10) Trash bags for cleaning up while you are at Rainbow Express
 - 11) Water bottle (*very good idea*)
 - 12) Candy or small prizes to give away
 - 13) Extra activities to do with the children and youth at your Rainbow Express that match up with your skills. Whether it's a hacky sack or extra nail polish (pictured to the right) what hobby or talent do you have that you can share with the children you are ministering to on mission trip?

The Rules

DRESS CODE

Mission Arlington's dress code is very basic. We ask all participants to dress modestly, comfortably, and in something where they are ready to work. Casual dress is fine all week long, Sunday included. Here are a few specific requests we make of all groups:

- Baseball caps are fine, but please wear forward at all times. Do not wear bandanas or any other type of head gear. (Winter headgear is okay if it's cold.)

 - Be sensitive to other people's needs. Be courteous and grateful everywhere you go. It is especially crucial that you control the noise level where you are staying. We cannot have loud music, parties, outside games, etc. We want *everywhere* to be our mission field, and that includes where you sleep at night.

Telling Your Story

In Acts chapter 4 Peter, when threatened if he ever spoke in the name of Jesus again, responded “we cannot help speaking about what we have seen and heard.” Do you feel that way about your salvation? Are you so thrilled by the fact that God would save a sinner like you that you cannot help but talk about it.

Unfortunately, sometimes we convince our selves it is hard to talk about our faith. When we share our testimony, we are being witnesses, reporting the Good News of the everything-changing difference Christ has made in our lives. Here are some tips to help you share your testimony at Rainbow Express this week.

- **Be Brief**—Remember the age of the children you are working with. They have short attention spans. You want them to understand and remember your point. The longer you talk, the less they may walk away with. Your goal should be not more than five minutes each for two testimonies, six to seven minutes for one, tops.
- **Be Simple**—Your children will not understand the phrase “I used to really struggle with trying to keep the reprobate, carnal impulses of my fleshly nature under control until I accepted the sanctifying work of the Lamb on the cross”. They will understand “When I pray and ask Jesus for help, He helps me do what God wants me to do”. Avoid the temptation to speak *churchese* while you share. Talk like you really talk.
- **Be Animated**—Let your love for Jesus show in your words, face, gestures, and tone of voice. If you share your testimony like you would share a school report on 18th century garbanzo bean farming techniques, the children will not care. If you are excited about what Christ has done in your life, the children will be too.
- **Be Excited**—Sometimes there is a temptation to think that your personal testimony may not be as interesting as somebody else’s. Remember that we never need to compare our relationship with Christ to another. It took just as much of Jesus’ sacrifice to save us as it did any other human being on the planet. Be excited and grateful for what God did in your life, whether it happened as an adult in prison or a five-year-old in Sunday School.
- **Be Prayerful**—Like everything else you do this week, sharing your testimony must be bathed in prayer. Ask God to give you the right words and demeanor. Ask Him to prepare the hearts of the people that will be hearing.

But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect . . .

1 Peter 3:15

- **Give God the Glory**—This may sound obvious: but remember to make your testimony about God. Your testimony is not about the bad things you used to do. It’s not about the good things you do now. It is about the change that Jesus brought in your life. It is about His sacrifice and His forgiveness. Make sure people walk away from your testimony impressed by Jesus, not by you.

Prayer Guide

We will be serving with Mission Arlington this Spring Break because we believe that our Father, the Lord of the Harvest, is sending us into His harvest fields. With that in mind, we need to spend time each day as we prepare for this trip asking the Lord to make it exactly what He wants it to be. Here are some thoughts to help you in your prayer times for this mission trip.

- Pray for our team as we prepare to go. Help us to be ready logistically and, most importantly, spiritually. We can't be effective sharing the gospel until we ourselves are above all else in love with the Father.
- Pray for the Mission Arlington missionaries who will be "preparing the soil" before we arrive and following up with discipleship after we leave.
- Pray for each neighborhood where we will be ministering. Pray that God will draw *exactly* the people He wants to hear the message.
- Pray that the gospel will be presented clearly in all that we do.
- Pray that God will draw people to Himself and that they will respond to our message by putting their faith in Him.
- Pray for more year round missionaries for Mission Arlington who will continue to plant churches in these neighborhoods.

Some Scripture to Help You Pray

- As for me, far be it from me that I should sin against the Lord by failing to pray for you. And I will teach you the way that is good and right. 1 Samuel 12:23 ***We don't want to sin by not praying for the people God is sending us to teach.***
- Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, ²¹ to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen. Ephesians 3:20-21 ***We want this week to be according to God's plan, not ours. His perfect plan will be above and beyond anything we could plan.***
- Declare his glory among the nations, his marvelous works among all the peoples! 1 Chronicles 16:24. ***We go on mission because God is worthy of being shared about. Let's help Arlington see His marvelous works!***

Rainbow Express

Preparation Materials

- **Outline for each day's Rainbow Express**
- **Instructions for each team member**
- **Supplemental materials for each activity: memory verse, games, songs, etc.**

Rainbow Express Overview

- ◆ When you arrive at your site, have one adult leader check in with the office of the apartment community each day to let them know you are there. Always offer to help with anything the office staff might need.
- ◆ Begin by gathering the children and teenagers that will be attending. This will involve knocking on all the doors of the apartment community to invite people. The games leader and attendance taker will wait for the children at the site. All other team members need to **knock on doors**.
- ◆ As the children arrive, begin playing games. **Write down each child's name and apartment number** on the attendance sheet.
- ◆ After finishing the games, begin singing **songs** as you gather the children into a large group to begin. You may want to sing a couple of songs, then do a puppet song, then sing another song, then a puppet song. This will give the puppet team a chance to rest their arms in between songs.
 - ◆ The Song Leader will come to the front of the group to lead songs. One or two others may also want to come to the front to help show motions. Be sure to have several songs ready to sing and that everyone in the group knows the songs.
- ◆ Each day the Large Group Leader will welcome the children and provide an introduction to the day's themes and activities. The more creative and engaging the Large Group Leader acts, the more interested and involved the children will be during the large group.
- ◆ A couple of students share their **testimony**. (There are tips on preparing your testimony on the student preparation packet.)
- ◆ Ask for prayer requests and pray.

It is a crucial part of our witness to the character of God that we honor our commitments to the neighborhoods where we are holding Rainbow Express. That means don't arrive late to Rainbow Express and don't leave early.

- ◆ The Memory Verse leader will lead the children in learning the memory verse during the first **memory verse activity**. (There are suggested memory verse activities for each day in the memory verse teacher instructions portion of this section. Remember that you need to provide whatever materials you need for the memory verse activities.)
- ◆ Divide up into **small groups**, as small as you can depending on the number of children and people in your group. Plan on dividing your small groups based on age and gender (for example: 1) preschool, 2) younger elementary boys, 2) younger elementary girls, 3) older elementary boys, 4) older elementary

girls, and so on. Depending on who actually attends your Rainbow Express site be prepared to flex if need be in the way you divide.)

- ◆ Each small group team will share the day's Bible Story while in their small group.
- ◆ Take this time after the story to pray with the children in your small group. Ask them for things they would like to pray about. Tell God how awesome He is. Ask Him to help you and the children in your small group to listen to God and obey Him. Pray that the children in your group will get to know God and feel the love He has for them.
- ◆ Hands on activity: you will have an activity for the children in your small group to do during this time. Days 1, 2, and 4 you will have activity packets with coloring sheets, word searches, mazes, and memory-verse related word games. Day 3 you will make salvation bead bracelets. All of these materials will be provided by Mission Arlington while you are here.
- ◆ While still in small groups, review the week's memory verse. You can do a small group version of the same memory verse activity you used in large group time, or choose from one of the other suggested activities in the memory verse teacher material. (Remember that you need to provide whatever materials you need for the memory verse activities.)
- ◆ Reassemble for a large group **closing time**. The Large Group Leader will lead a short review time to help wrap up the day's activities.

- ◆ Play **games** until it is time for Rainbow Express to end.
- ◆ Pass out **snacks** to each child. Have the children eat snacks there so you can make sure all trash is cleaned up.
- ◆ It is mandatory that you walk each child home after Rainbow Express.
- ◆ After everything is cleaned up and all children are walked home, come back to Mission Arlington to turn in your reports for the day.

Tips for a Successful Rainbow Express

- ◆ **PRAY!** This is what will make or break your week. Everything you do must be bathed in prayer.
- ◆ When you first get out to the apartment community, most of the team needs to go door to door and round up the children. Some children will come early, so one or two people need to be ready to stay at the site to play games with the children (rather than knock on doors).
- ◆ Parents and older youth will probably stand around the perimeter. Get to know them, talk with them, and invite them to the Bible study at that particular apartment complex. You will receive the information about these Bible Studies when you are here.
- ◆ The opening and closing Large Group Times can be a difficult time to keep the children's attention. The more energy, preparation, and creativity you put in, the more interested and involved the children will become.
- ◆ Be sure you are always with the children. You can make a difference in their lives this week. They want and need your undivided attention.
- ◆ Love all the children. Try to get to know each of them.
- ◆ Remember that you have important jobs to be done. Don't forget your responsibilities.
- ◆ If you are not leading the singing or telling the story, sit among the children.
- ◆ Have fun! If you are having fun, the children will have fun. Likewise, if your attitude isn't the best, they will imitate your attitude.
- ◆ Everyone needs to make sure that every child and his/her apartment number are on the attendance list.
- ◆ Everyone work together and help each other.
- ◆ **PRAY!** Remember to **pray without ceasing** the whole week.

Adult Team Leader / Sponsor

- ◆ Be the prayer leader for your group. **Pray** for your team, the people you will encounter in Arlington, and for the Mission Arlington workers that are preparing the way and will be doing follow up.
- ◆ **Communicate with Mission Arlington** staff with any questions or problems during Rainbow Express: if you get lost, if you're not sure where to set up, if you need extra supplies, etc. Your primary Mission Arlington contact during the trip will be Matt Hart, cell phone number 817-929-2749.
- ◆ Make sure your team is getting **good contact info for everybody that attends** so that Mission Arlington missionaries can follow up.
- ◆ Make sure that **each day during the trip your report is turned in to Mission Arlington** at the end of the day (this will involve the day's Rainbow Express attendance and information on any special follow-up needs you encounter.)
- ◆ Each night during your trip: oversee the preparation of all other team members for tomorrow's Rainbow Express. Ensure that any advance preparation needed for crafts, memory verse activities, or closing activities has been done.
- ◆ Be very familiar with the lessons and activities for each day. **Make sure EVERY child gets walked home** at the end of EVERY Rainbow Express.
- ◆ The first day of Rainbow Express, be sure to **connect with the apartment manager** and any other office personnel in the neighborhood where you are leading Rainbow Express.

don't be *that* group

Mission Arlington will give you directions and instructions for every neighborhood where we send you. Please compare your GPS to these instructions. If they disagree, check with us before you go. We once had two groups miss the entire first day of Rainbow Express because they trusted their GPS and ended up *miles* from where the kids were waiting for them.

Small Group Teams

- ◆ You will be telling the stories to your small group. Pray that God will prepare the hearts of the kids you will be sharing with to hear His message.
- ◆ All the Bible stories this week are intended to help the children see that they can trust God's way for life and salvation.
- ◆ Before you come, read all of the stories in the Bible and as they are retold for children in the following pages. Know each story well. As you tell the story have your Bible open to the story. **Never read to the kids word for word from the packet!**
- ◆ Help your children or youth to understand that the story they are learning comes from the Bible. Be very familiar with the scripture and then use the retelling as a guide to communicate the themes to the children you are working with.
- ◆ Be excited about the story you are teaching. Have fun as you share the love of Christ. The kids need to know that you believe what you are saying and really want them to understand. Make eye contact with the kids and give them 100% of your attention and energy.
- ◆ Take the time to get to know the children in your small group. They need to know you care about them.
- ◆ Watch the kids as you teach. If you are losing their attention, try to involve them more. Make sure the kids hear the message.
- ◆ Review the story at the end by asking questions.
- ◆ Always have your Bible with you while you are leading your small group. Help the children understand that the stories you are teaching this week are true stories from the Bible that help us know how to follow Jesus.

Songs Leader

- ◆ You will be leading songs with your Rainbow Express group. Pray that God will help the kids to learn the songs so they can carry the message of Christ's love with them.
- ◆ The following pages contain some suggested "Sunday School songs" to get you thinking about songs to use.
- ◆ You are not limited to doing only the songs in the list. Feel free to do any other children's songs that your group knows. If you see songs you don't know in the packet, you can find lots of them on youtube.
- ◆ Have songs chosen ahead of time that you will sing each day. You can take requests, but have a list of songs ready.
- ◆ Sing "stand up" songs with lots of motions first, then sing "sit down" songs to prepare the children for the puppet show or Bible story.
- ◆ Be sure all of the team members know the songs you are going to sing. All team members should sing with enthusiasm.

Memory Verse Teacher

- ◆ Pray that they will learn the verse of the week, so they can carry a piece of the Bible with them always.
- ◆ The children will have two opportunities to hear the memory verse each day: once in the opening time in a large group and once after the story time in a small group. You will be responsible for leading the memory verse activity in the large group.
- ◆ Read through the suggested activities ahead of time. Some require additional planning and/or materials. Make sure you have what you need.
- ◆ Make sure everyone on your team knows the activities you plan to use. Help the other small group leaders decide which memory verse activities they will do each day.
- ◆ Do more than just lead the activities as they are described in the packet. Spend time explaining the meaning of the verse and how it applies to life. Help the children understand what the memory verse means.
- ◆ The following page contains suggested memory verse activities that you can choose from. Remember that you need to provide whatever materials you need for the memory verse activities.
- ◆ The verse of the week is:

But God showed his great love for us by sending Christ to die for us while we were still sinners. Romans 5:8

Pero aunque nosotros todavía éramos pecadores, Dios nos demostró su gran amor al enviar a Jesucristo a morir por nosotros. Romanos 5:8 **(Spanish)**

Memory Verse Teacher (continued)

- **Teams:** Divide the kids into two teams. Let one side say the first part of the verse and let the others complete it. See how loud and soft and fast and slow each side can be. (Remember you can be creative in your team divisions: Boys v. Girls, Sandals v. Tennis Shoes, Eye or Hair Colors, kids wearing shorts v. kids wearing jeans...etc.) Compliment both teams on a job well done.
- **Memory Verse Challenge:** Make signs using construction paper with one or two words of the verse on each. Have several workers or children stand at the front and hold the signs so that everyone can see the words. Lead the children in saying the verse together a few times. Then, one at a time, have the sign holders hide their sign, and say the verse together again. Repeat this until all the signs are hidden and say the verse one more time.
- **Hand Signs:** Assign a hand motion for each word of the verse. Teach the children the hand signs and the words at the same time. Then say the words while the children only do the hand motions. And then do the hand motions while the children say the words.
- **Volley Verse:** Sit or stand in a circle. Take a soft ball or balloon and pass it around in a circle, each person saying one word of the verse as they hold the ball and pass it on. Go fast and slow, repeating the whole verse each time. When the kids feel comfortable saying the verse, volley the ball from person to person across the circle, letting each person say one word as they pass the ball.
- **Verse Pop:** Gather several small strips of paper and write one or two words of the verse on each strip. Put each paper inside a balloon and inflate the balloon. Let the children who are sitting the most quietly pop the balloon handed to them, and say the word they find inside. Have all the children repeat the word and continue until all the balloons are popped. Have a copy of the entire verse ready so that, in the end, the children can see the whole verse on one page. Repeat the verse several times with all the children. (It is a good idea to write numbers on the balloons so you can hand them to the children in the correct order. Also, be aware of smaller children who might be afraid of the popping noise.)
- **Verse Puzzle:** Write the verse on a piece of paper and cut the paper into 6-10 pieces. Let the children put the puzzle together as a team. Make sure everyone gets a chance to help. When it is finished, say the verse altogether. Put the puzzle together again. See how fast the children can finish the puzzle and say the verse.
- **Verse Sticks:** Write phrases of the verse on several craft sticks. Work together to put the sticks in the correct order.
- **Verse Chain:** Gather several small strips of paper and write one or two words of the verse on each strip. Working together in your small group, tape the links together in circles to make a paper chain. When you finish, say the verse all together.

Be sure to make a visual aid to help teach the memory verse.

PUPPETS

Remember that you can borrow puppets from Mission Arlington / Mission Metroplex if you do not have any.

Puppets have a power to draw people. Obviously a simple puppet show holds the most charm for young children. You will be amazed, however, how many parents, grandparents, aunts, and uncles will come to watch puppets just because they are curious. This gives you a great opportunity to connect with them and potentially share the gospel. So don't be afraid to try using them, even if you never have before. Here are some tips on how to easily incorporate puppets into your Rainbow Express program:

SONG TIME—Have the puppets sing along with the songs. This is fun for young children.

MEMORY VERSE—Have the puppets help teach the memory verse. We have found it to be especially helpful to have the children teach the memory verse to the puppets. Let the puppets “play dumb” so that it takes them several tries to learn it.

GATHERING—Have the puppets going while you are out knocking on doors and taking attendance. You will find the puppet show attracts plenty of curiosity.

CLOSING TIME—Have the puppets ask the review questions in the final large group time. Alternatively, you could have the puppets give funny answers to the review questions asked and let the children help correct them.

PREPARATION TIP: If you do not have a puppet stage you can easily make one out of a large cardboard box (at Mission Arlington we use refrigerator boxes or washer/dryer boxes). Just cut and unfold the box and then decorate the front with butcher paper, spray paint, or any other way that you would like.

PUPPET CONCERTS—One of the simplest and surprisingly effective ways to use puppets is to let them give a one or two song “concert” each day during your Rainbow Express program. We have had great response with upbeat Christian music, especially if there is an easy chorus the kids can catch on to and sing along with.

A NOTE ON PUPPET MUSIC—It is very important to remember that some songs that might be youth group favorites may be more likely to drive away than attract some parents. Keep in mind that the goal is to find opportunities to interact with all age groups, not just children and teenagers. If you would like to purchase puppet music instead of using what you already have, consider a series called RPM-Righteous Pop Music. You can order from them on-line from the company that produces them at onewaystreet.com.

Attendance Taker

- ◆ Pray for the children that will attend your Rainbow Express and for the Bible Study leaders that will follow-up with the children.
- ◆ The multi-housing communities where you will hold Rainbow Express are places with ongoing Mission Arlington Bible Studies, After School Programs, and other activities. The information you gather will be a valuable resource for the Mission Arlington teams doing follow-up after you are gone.
- ◆ THIS IS AN EXTREMELY IMPORTANT JOB! We need to know about every child, teenager, and parent you meet (and where they live) so that we can get them involved in weekly Bible study. Also, if a child accepts Christ as their Savior or needs special attention, you will mark this on the attendance sheet so the appropriate follow-up takes place.
- ◆ As children arrive for each day of Rainbow Express, ask for their name (first and last), age, apartment number, and building number (if applicable). *Please do not allow children to write on the attendance sheet.* Please neatly write down the information they give you.
- ◆ Be sure you have the attendance sheets before you depart for the site each day. Make sure you turn in these sheets after Rainbow Express each day. Mission Arlington will provide the blank sheets.

Dude, *great* day today. We had one parent and two kids who accepted Christ, a teenager looking for a church, and a whole family that need Bibles in Spanish.

Awesome, I'll get those names to that neighborhoods' missionary tonight so they can start following up right away.

Yeah. We actually lost our attendance sheet. I remembered about half of the names and wrote them on this napkin. Some of their apartment numbers are under the ketchup spot. There's also one guy who wants to get baptized. He doesn't usually wear socks, so he should be easy to find again . . .

don't be *that* group

We take discipleship seriously at Mission Arlington. We know you do too. Help us by making sure we get good reports from you each day so we can follow up with all the people you make contact with.

Large Group Leader

- ◆ Pray for the children you will be teaching. Pray that this week the word of God will change their lives.
- ◆ It is your responsibility to help the program flow from one activity into the next activity while in a large group.
- ◆ At the beginning of each day, lead a brief introduction to help transition into the small group times. During the opening time, ask the kids questions about what they learned the day before. See if any of them know the memory verse.
- ◆ In each day's introduction you will want to help the children learn to love God's words. You want them to have a heart like Peter in John 6:68-69 when he said: "Lord, to whom shall we go? You have the words of eternal life, and we have believed, and have come to know, that you are the Holy One of God."
- ◆ Keep the kids involved and interested in everything you do.
- ◆ Always have your Bible with you while you are leading the large group. Help the children understand how much you love your Bible.
- ◆ It will not be your job to tell each day's Bible story. That will happen in the small groups.

This large group leader made a cape. You *know* the kids listened to her. Kids love capes.

Games Leader

- ◆ Be prepared to play some games before Rainbow Express begins as a way to gather and meet children. Play again afterwards to allow more interaction time with those who have come.
- ◆ Kids are more likely to listen to and interact with people they know care about them. Playing games is one way to build relationships with the kids. Pray that God will use the game time to build relationships between your team members and the children.
- ◆ Find ways to incorporate the concepts of the memory verse and lessons for each day into games you are playing.
- ◆ There is a list of games on the next page. You are not limited to the games on the list. Decide which games you are going to play each day. Involve everyone. Have some games prepared to play with older children and other games prepared to play with younger children.
- ◆ **The apartment managers in the places you will be serving have asked Mission Arlington not to use balls, Frisbees, or anything else that could potentially break windows in the apartment communities. Bring soft, Nerf® type balls and toys that cannot cause any damage.**

Games Leader (continued): SUGGESTED GAMES

- **Big, Bad Wolf:** Have the children stand in a line at one end of the game area. One leader or child is the “Big, Bad Wolf” and will stand at the other end of the area with her back to the children. In unison, the children shout, “What time is it Mr. Wolf?” The wolf answers with an hour, “4 o’clock”, for example. The children take that number of steps forward. If the wolf said “4 o’clock,” the children would take 4 steps toward the wolf. When the wolf thinks the children are close enough to her, she answers their question with, “It’s eating time!” Then she chases them back to their starting line. Anyone she tags joins her as a wolf. The game ends when all but one participant has been tagged.
- **Overall Understanding:** Players are divided into two teams. Teams line up in parallel rows with players standing behind one another. The first player on each team is given a beach ball, or balloon. When the leader says, “Go,” the first player on each line passes the ball backward over her head to the second player. The second player passes the ball under his legs to the next person in line, and so forth. The ball continues to be passed backward down the line, alternately over and under, until it reaches the last player. The last player, receiving the ball, runs to the front of his or her line and begins to pass the ball back again. This continues until every player on the line has a chance to be at the beginning. The team whose first player gets to the front of the line again is the winner.
- **Parachute:** You will have a tarp with you to use for the children to sit on each day. The tarp can double as a “parachute”. Have the kids stand on all sides of the tarp and hold it at waist level. Each side of the tarp is a team, making four teams. Put a beach ball on the tarp. Have the kids shake the tarp. They should try to shake the tarp so that the beach ball falls off another team’s side. Whenever the beach ball falls off the tarp, the team on that side gets a point. The team that has the fewest points at the end of the game wins.
- **Sharks and Minnows:** You will need a good size running area for this game. Have the children line up along one side of the area. They are the “minnows”. Have the leader stand in the middle of the area. The leader is the shark. When the shark yells “Go!”, the minnows run to the other end of the area. The shark runs around and tags as many minnows as possible before they reach the other end of the field. When a minnow is tagged, he or she must freeze wherever tagged. When all of the untagged minnows reach the end of the area, the shark yells, “Go!” again. This time the shark and the frozen minnows may tag the runners. The game continues until there is only one minnow left. That minnow is the winner and begins the next game as the shark.
- **Everybody’s It Tag:** There are two rules: (1) everybody is It, and (2) when a player is tagged, he or she is frozen. Have everyone stand in a circle. Then the leader shouts “Everybody’s it!” and the game starts (and quickly ends).
- **Hospital Tag:** The first time a player is tagged, she puts her hand on the part of herself that was tagged. The second time she is tagged, she must put her other hand on that area. The third time, because she is out of hands, she must sit down.
- **Trust Walk:** Choose a landmark in your area to be the “goal” of this game. A mailbox or tree will probably be readily available for this purpose. Blindfold one player and choose another player to be the “guide.” Have the rest of the children scatter themselves between the blindfolded person and the goal. The guide leads the blindfolded person through all the people to the goal while the children in the way will call out other directions. The blindfolded player must listen carefully to the guides instructions. Let the children take turns being blindfolded and being the guide.
- **Circle Spot Rush:** All players stand in a circle, arms’ length apart, facing inward. In the center of the circle are small markers (paper plates, pieces of construction paper, etc.). The number of markers is always one less than the number of players. The leader of the game stands just outside the circle and calls out various types of movement: run, skip, hop, etc. The players move clockwise around the circle in the way directed by the leader. The game leader can also call out *stop* (all players freeze wherever they are) or *about face* (players continue to move in the same manner but reverse directions). When the game leader yells *rush* all players run to the center of the circle and try to stand on one of the markers. Whichever player does not stand on a marker is eliminated. One marker is removed and play continues. The object of the game is to be the last player remaining.
- **Animal Relay:** Each small group will be a team. Teams stand in single file lines, facing a finish line about fifty feet away. The first player runs across the finish line, runs back, tags the next player, and goes to the end of the line. The relay continues until each player has run twice. While they run the game leader calls out various animals. All players must run like that animal until the next one is called. The first team to have all their players finish twice wins.
- **Elbow Tag:** Assign all players a partner. Spread pairs out evenly across the playing area. Have the pairs link arms. Choose one pair to start out as the chaser “It”, and the chatee. Just like regular tag, It tries to tag the chatee. If the chatee is tagged, he or she in turn becomes it and the chase reverses. The chatee’s goal is to link with another player. When the chatee links arms with one side of a pair, the other player must unlink, becoming the chatee.

Youth Leader

Teenagers will often gather around the periphery of your Rainbow Express. Choose at least one person (if possible one male and one female) to be ready to work with any youth.

- PRAY! Youth have always been a part of Rainbow Express, because groups like yours have always worked at making friends with the older students that hang out around your activities. However, we have really felt led to make a concentrated effort to expand the scope of Rainbow Express to include youth. Ask God to use the Rainbow Express that you lead exactly as He would desire.
- Be sensitive to the youth. Some may enjoy participating in parts of the regular Rainbow Express program, especially if they have younger siblings that are attending or if they are involved in helping in some way. Others will feel more comfortable staying completely separated from the children for the entire time.
- Be flexible. Every apartment community is different and every teenager is different. You might have no teenagers, you may have one, and there might be a dozen. Be prayerfully ready for whatever happens.
- Be sure to report any youth that attend on the Rainbow Express attendance sheet so that the Mission Arlington missionaries can effectively follow up.

There is no sure-fire method for working with youth, but here is one possible suggested schedule for a youth Rainbow Express:

While the children are:	The youth leaders are:
in opening large group: singing, puppets, memory verse, etc.	meeting any teenagers, going with them to invite their friends, etc.
in small groups: story, crafts	having the youth help to pass out craft supplies to children's small groups, then gathering in their own location. Lead a Bible Study based on the children's Bible Story for the day. Help the youth learn the memory verse.
in games time	having their own youth recreation time

TIPS ABOUT WORKING WITH INNER-CITY YOUTH FROM A MISSION ARLINGTON MISSIONARY

As you are gathering the younger children for Rainbow Express, inevitably you will see older youth who seemingly couldn't care less about hanging around with the little kids. Some of these youth will, however, hang out around the periphery of your Rainbow Express acting, of course, like they're not interested. But don't be fooled. If they're hanging out, they are interested.

- **Introduce yourself:** Don't wait for the youth to walk up to you—it won't happen. You (2 or 3 of you) should walk up to them, stick out your hand to shake theirs & introduce yourself. If you're meeting guys, invite them to throw the football, play soccer, or even wall-ball (at an appropriate place). Try to do this event somewhat removed from the younger kids because they may get distracted. If you're meeting girls who aren't interested in football, soccer, or wall-ball, just be prepared to sit with them and get to know them.
- **Engage them:** Maybe they can help you unload, carry boxes, pick up trash, help translate (lots of Spanish speaking kids will be attending Rainbow Express), play with the younger kids after Rainbow Express is over, etc. During this time, you will continue to get to know them.
- **Develop a Relationship:** Remember that in Jesus' ministry, he met physical & emotional needs a lot of time before he addressed a person's spiritual needs. Don't be judgmental even if their looks, language, or conversation startles you. Hopefully you will have four days with them, so get to know them and when the Spirit leads you, begin the conversation about a relationship with Christ. Don't make assumptions about whether or not they are believers. You'll come across both.

- **Make Them Feel Special:** You want them to know that you have planned this time for them. Come prepared with football, soccer ball, basketball, etc. Maybe bring an additional snack for them. Sit around with the youth & munch on chips or cookies while you get to know them. Bring a few Bibles (pick an easy to read translation like NIV) so as one reads they can all follow along. Keep the actual lesson time short—most of the time should be spent getting to know them & discussing the lesson.

Pre-Rainbow Express Gathering

You will begin each day by knocking on doors and then playing games to help attract children to your Rainbow Express.

Song Time/Puppets

When it is time to begin your activities, have all the children sit down in a large group. It would be helpful to bring a tarp for them to sit on. When the children are together and seated on the tarp, begin your song time.

The Song Leader will come to the front of the group to lead songs. One or two others may also want to come to the front to help show motions. Be sure to have several songs ready to sing and that everyone in the group knows the songs.

Each day at this time you will have a brief puppet show. There are several simple ways to do this. Suggestions on how to use puppets to help teach children are on page 37.

Testimony

The theme for this whole week of Rainbow Express is being certain of who Jesus is. Each day you will be sharing stories, songs, crafts, and other activities that help the children understand that we can be sure that Jesus Christ is our only Savior. Obviously, the decision to follow Christ is an incredibly personal decision. It is important that the children and youth who attend your Rainbow Express understand that a personal relationship with Christ is a very important reality for the members of your group. Every day during the opening time one or two members of your group can share a short version of their testimony in front of the large group. The goal is to let the children see how listening and obeying as God has spoken in your life has made a practical and meaningful difference.

TIP—The Large Group Leader should serve as a sort of “master of ceremonies” to keep each activity flowing smoothly. He should not, however, tell the day’s Bible story. That will go much smoother in the small group time. Children listen more attentively in smaller groups.

Memory Verse Activity

When the Large Group Leader finishes his opening time, the Memory Verse Teacher will come to the front to lead the memory verse activity. The large group memory verse activity for day one is “Fast and Slow”. Have your poster of the memory verse available. Read through the verse all together several times to practice. Practice saying the memory

Day One

verse faster and faster. Try saying it slower and slower. Say it in “slow motion”, using exaggerated hand motions and deep slow motion voices.

Introduction of Today’s Story--Building the Foundation

When the memory verse teacher is finished, the Large Group Leader will return to the front to provide a brief introduction to the day’s theme and story. Each day you will re-introduce the concept that the Bible tells us that truth about God’s love and the Savior He sent for us.

Begin by welcoming everyone to Rainbow Express. Introduce your group and tell where you are from. Make sure the children understand that you are here working with Rainbow Express through Mission Arlington this week so that the children connect what you do this week with the big picture ongoing ministry in their neighborhood.

Tell the children that all this week you will be learning the Good News about Jesus. Ask the children to give you examples of times they learned some really good news. Have members of your group prepared to pitch in with some “starters” if the children are hesitant to share. Use examples the kids will relate to: taking a special field trip somewhere, a new baby in the family, getting a better grade than you expected, etc. As the conversation warms up, ask the children to try to identify the best news they have ever heard. Thank them for sharing such good examples and then explain that you want to share with them the best news you have ever heard and how it affected your life. Use your own words, but you can use something like this as an outline:

“The best news I have ever heard is the Good News about Jesus. When I learned the Good News of how Jesus can save me, it changed everything in my life. Let me tell you what I mean:

“God made each and every one of us. He loves us more than we will ever imagine. God wants us to be with Him. He has a perfect plan for our lives. That’s all good news.

“That good news is mixed with some bad news: we all mess up. Every one of us disobeys God. We don’t follow His perfect plan. We do, think, and say things that go against God’s perfect plan for us. The Bible calls these bad things that we think, do, and say *sins*. Sin is the bad news because it separates us from God’s perfect plan for us.

“This is where the best news of all comes in: the Good News that Jesus came to save us. This week we’re going to learn how Jesus died on the cross to take our punishment. Jesus died so that we could have the life that God wants us to have. Then three days later Jesus came back to life. God loves us so much that He sent Jesus to save us from our sins. That’s the best news of all.

“Today we’re going to learn the story of a man that had a hard time with the Good News. Have you ever told somebody good news and then found out they didn’t believe what you said? That’s exactly like a man named Saul. He did not believe the Good News he heard about Jesus. We’re going to see how Jesus loves us so much that He did something amazing to show Saul the Good News.”

Small Group Story Time

When the Large Group Time is over, divide the children into small groups for story time. The text provided here is to serve as a guide for you while you tell the story. Read it through several times and be able to tell it from memory. It is not important to be able to recite this story word-for-word. Your goal is to be able to relate the story to a level children will understand. Use the wording included here as suggestions to help you make these concepts understood by elementary age children. Feel free to adapt these words to fit well with your own style.

Day One

Today's Story:

In large group we talked about Jesus' death on the cross. We said that three days later He returned to life. After Jesus came back to life, He gathered all of His followers and gave them instructions. Jesus told His followers to share the Good News with the whole world. They began to tell anybody who would listen about God's love and Jesus' death and return to life. Many, many people became followers of Jesus.

Not everyone was happy to see so many believing the Good News. Some religious leaders were angry that people were following Jesus instead of listening to them. These religious leaders taught that you had to follow a complicated set of rules to earn God's love. The Good News says that God already loves His people. The religious leaders said that God wants to punish our sins. The Good News says that God wants to forgive our sins.

The religious leaders wanted to stop the spread of the Good News. One of them, a man named Saul, began to hunt down and arrest any of Jesus' followers. He put people in prison, just because they believed in Jesus. Everywhere, believers in Jesus became very afraid of Saul. Saul brought trouble to the believers everywhere he went.

We know that what Saul was doing was very wrong, but he didn't think so. Saul did not believe that Jesus came back to life. He thought the Good News was a lie. Saul really believed that he was doing the right thing. Remember that we learned the Bible calls the bad things we do *sin*. Saul was a sinner. He did some very wrong things, but he didn't know they were sins. Saul did not understand that he was going against what God wanted him to do. It is very important to understand that God loved Saul even though he was doing such terrible things. That is good news for us, because it helps us remember that God loves us too, even though we do such wrong things. We're going to see how God showed Saul how much He loved him.

One day Saul had a really wicked idea. He had already caused lots of trouble in his own town for people that believed in Jesus. Why not travel to another town and do the same thing? Saul rounded up a group of helpers. They decided to go to a town called Damascus. They would find the people in Damascus that believed in Jesus and arrest them.

The people in Damascus that loved Jesus knew it meant bad news that Saul was on the road to Damascus. However, Saul never caused any trouble for them. In fact, something so amazing happened that Saul never put another person that loved Jesus in jail again!

Saul was on the road with his other mean friends. He was almost to Damascus when a bright light from the sky started to shine around him. It was just as if a spotlight from Heaven had hit him. Saul fell down to the ground. The light was so bright that he could not see. A booming voice like thunder called to Saul.

"Saul, Saul, why are you working so hard against me?"

Saul could not believe it. A voice from the sky was talking to him! "Who are you, sir?" Saul asked the voice.

"I am Jesus. I am the one you are opposing. Now get up and go into the city. There you will be told what you must do."

Saul was amazed by what he had heard. Saul had never believed in Jesus. Saul tried to stop other people from believing in Jesus. Now, all of the sudden, Saul knew that Jesus was real. Saul had been wrong all along. Instead of fighting people that believed in Jesus, Saul now wanted to believe in Jesus himself.

Day One

Saul got up. He could not see anything. The bright light made him blind. Some of the men with Saul took his hands and lead him to the city like a little child. For days, Saul did not eat or drink anything. He spent all his time talking to God. Saul told God how sorry he was for all the sin in his life. Saul told God he was ashamed of all the bad things he had done. Saul asked for God's help.

Finally, a man named Ananias came to visit Saul. Ananias told Saul the Good News. He told Saul that Jesus still loves people, even when they have done things they should not do. God had shown Saul the truth about Jesus so that Saul would pray to God and give his life to following Jesus. "Jesus, who you met on the road, sent me to you," Ananias said. "Jesus wants to be part of your life." Ananias told Saul that God had a big plan ahead for Saul's life.

Saul accepted the Good News. That means he was convinced that Jesus really was God's son who died and rose again. Saul believed that God would forgive Saul because of what Jesus had done for Him. From then on, Saul followed Jesus. He was like a completely different person. He began to travel around to tell other people the Good News about Jesus. People began to call Saul by the name Paul. Paul was his name in the language spoken in most of the world then. Paul became one of the bravest people in the world. He traveled everywhere, telling people about Jesus.

We said at the beginning today that Jesus loves us. It is easy to see that He loves us. Just look at what Jesus did for Saul. Saul had worked really hard as Jesus' enemy. Jesus made Paul into a good friend.

Paul wrote part of what is now our Bible. He talked about how Jesus changed his life. He wanted all of us to know the Good News that Jesus came to save us from sin. Before he met Jesus, Paul did not even know that he was sinning. He thought he could be good enough to earn God's love. Paul wrote that instead, we should all understand that we are sinners who have messed up. God loves us even though we sin, so Jesus came to save us from sin. We do not *earn* God's love. Instead, we trust that God loves us and that Jesus forgives us.

In the third chapter of Paul's letter called Romans he explained it like this: "We are made right with God by putting our faith in Jesus Christ. That happens to all who believe . . . Everyone has sinned. No one measures up to God's glory. The free gift of God's grace makes all of us right with Him. Christ Jesus paid the price to set us free." That means we can be saved, not because we have tried to do good things, but because Jesus loves us even though we have done bad things. We have to accept the free gift of Jesus.

If you want to know more about how to have Jesus in your life and how He wants to forgive your sins, just ask us. We would love to help you know how.

Each day you will close the story time with an invitation to accept Jesus. Say something like this: God wants everybody to follow Him. The problem is that sometimes we do bad things that the Bible calls sin. A sin is anything that we do that God does not want us to do. God still loves us, even though we sin. That's why Jesus came. Jesus died on the cross to be punished for our sins. Then on the third day He came back to life. Now, for anybody who asks, Jesus will take away our sins and become a part of our lives. He will help us to follow Him. The Bible says that if we believe Jesus in our hearts and follow Him, He will save us from our sin and help us to follow God. Then one day we will be with Him forever. Anybody that wants to choose to follow Jesus can do that today. We would love to help you know how.

Prayer Time

Take this time after the story to pray with the children in your small group. Ask them for things they would like

Day One

to pray about. Tell God how awesome He is. Ask Him to help you and the children in your small group to listen to God and obey Him. Pray that the children in your group will get to know God and feel the love He has for them.

Craft

While still in your small groups, lead the children in making the craft or filling out the activities packet for the day. The craft time is not only a way to reinforce the lesson, but it also allows time to get to know the children in your small group. During this time, ask them questions about their families, friends, and school. Invest in their lives. Crafts and supplies will be provided while you are at Mission Arlington.

Memory Verse Activity

Each day the small group time will include a Memory Verse Activity. The Memory Verse time is one of the most important activities of the day. We want these children to remember God's word and why it is important to them. A list of potential activities is included in the Supplements and Handouts portion of this packet. Use a different idea from that list each day to help the children learn the words of the verse and to explain why it applies to their lives. (Some require extra preparation, so be sure to review the list in advance.) The memory verse for this week is:

But God showed his great love for us by sending Christ to die for us while we were still sinners. Romans 5:8

Pero aunque nosotros todavía éramos pecadores, Dios nos demostró su gran amor al enviar a Jesucristo a morir por nosotros. Romanos 5:8(Spanish)

Wrap Up

Each day you will end your Rainbow Express in a second large group session. Have all the children return to the tarp where you started. Sometimes the movement from small groups to large group becomes distracting, especially to younger children. If you find your children becoming noisy as you return to your large group, consider singing a few songs to help everybody focus again.

The last thing you will do before games and snacks is to review the memory verse and the day's lesson. Have the large group leader give a brief re-telling of the day's story. As you tell the story, frequently pause to let the children answer questions and fill in the blanks about the lesson. When you finish reviewing the story, have everybody say the memory verse together one last time. After reviewing the memory verse, pray before dismissing to game time and snacks.

Game Time/Snacks

When you are finished, pray together and be ready to play games until the end of the Rainbow Express program. After the game time, pass out snacks, clean up the area, and walk everyone home. Return to Mission Arlington to turn in your materials and attendance sheet.

Pre-Rainbow Express Gathering

Song Time/Puppets

When it is time to begin your activities, have all the children sit down in a large group. It would be helpful to bring a tarp for them to sit on. When the children are together and seated on the tarp, begin your song time.

The Song Leader will come to the front of the group to lead songs. One or two others may also want to come to the front to help show motions. Be sure to have several songs ready to sing and that everyone in the group knows the songs.

Each day at this time you will have a brief puppet show. There are several simple ways to do this. Suggestions on how to use puppets to help teach children are on page 37.

Testimony

The theme for this whole week of Rainbow Express is being certain of who Jesus is. Each day you will be sharing stories, songs, crafts, and other activities that help the children understand that we can be sure that Jesus Christ is our only Savior. Obviously, the decision to follow Christ is an incredibly personal decision. It is important that the children and youth who attend your Rainbow Express understand that a personal relationship with Christ is a very important reality for the members of your group. Every day during the opening time one or two members of your group can share a short version of their testimony in front of the large group. The goal is to let the children see how listening and obeying as God has spoken in your life has made a practical and meaningful difference.

TIP—The Large Group Leader should serve as a sort of “master of ceremonies” to keep each activity flowing smoothly. He should not, however, tell the day’s Bible story. That will go much smoother in the small group time. Children listen more attentively in smaller groups.

Memory Verse Activity

When the Large Group Leader finishes his opening time, the Memory Verse Teacher will come to the front to lead the memory verse activity. The large group memory verse activity for day two is “Loud and Soft”. Have your poster

Day Two

of the memory verse available. Read through the verse all together several times to practice. Practice saying the memory verse together. Slowly begin to increase the volume. Divide the children into two or more teams. Have them try saying the verse together as a team. See who can say it loud and who can say it soft. Try playing Telephone by having all the children sit in a circle. Have the verse travel around the circle by having each child whisper the next word in the verse to their neighbor.

Introduction of Today's Story--Building the Foundation

When the memory verse teacher is finished, the Large Group Leader will return to the front to provide a brief introduction to the day's theme and story. Each day you will re-introduce the concept that the Bible tells us that truth about God's love and the Savior He sent for us.

Begin by thanking everybody for returning to Rainbow Express today. Be sure to introduce and welcome anybody that was not here yesterday. Introduce your group again. Each day make sure you are helping the children make the connection between the Rainbow Express you are leading this week and the ongoing Mission Arlington ministry in their community.

Take a few minutes to review yesterday's stories and theme. Let the children respond to questions. Emphasize we learned that because all of us sin, we all need the Good News. Jesus loves us so much that He died and came back to life so that we can believe in Him and be saved.

Tell them that today you're going to learn that the Good News is a gift. Ask the children to explain to you the difference between a free gift and something they earn. As before, have members of your group be prepared to prompt the discussion. Help the children see the difference between something they deserve and something that is freely given: their mom's paycheck as opposed to their birthday gifts, a Christmas present contrasted with the grade on a test, etc.

Explain that some people think of a friendship with God as something they earn the same way you would earn a paycheck or a good grade. They think that if we behave well and follow the rules God will give us an "A" and let us get to Heaven. Remind the children what we learned yesterday: that we *all* sin. None of us are perfect and none of us could ever measure up to God's perfection. The Good News is that God knows that and loves us any way. Explain that Jesus died and returned to life so that we can receive the free gift of God's love, not work to try to earn it.

Explain that today you're going to learn more about Paul, the man you discussed yesterday. Paul had once been an enemy of God, but his whole life changed when he met Jesus. Paul was so grateful for the free gift of Jesus' love that he risked his own life to help other people know Him.

Small Group Story Time

When the Large Group Time is over, divide the children into small groups for story time. The text provided here is to serve as a guide for you while you tell the story. Read it through several times and be able to tell it from memory. It is not important to be able to recite this story word-for-word. Your goal is to be able to relate the story to a level children will understand. Use the wording included here as suggestions to help you make these concepts understood by elementary age children. Feel free to adapt these words to fit well with your own style.

Today's Story:

Yesterday we learned how Saul met Jesus. Saul became a follower of Jesus while he was in Damascus. He was very, very grateful for what Jesus had done for him. Saul understood how bad he had been before and that Jesus forgave

Day Two

him. He was so grateful for the Good News that he wanted everybody else to hear it too. Instead of trying to stop the Good News, Saul began to tell the Good News to anybody that would listen. His life was so different that he even went by a new name. People began to call him Paul.

Paul began to preach about Jesus all over the city of Damascus. The people there could hardly believe what they saw and heard. Everyone knew that Paul used to be an enemy of Jesus' followers. Now he said that he was one of Jesus' followers! Nobody knew what to think. Some were very excited that Paul now knew Jesus. Some didn't trust Paul. They were still afraid of him and thought it might be a trick. It was hard to understand how somebody could change so much. Only Jesus can make that kind of difference in somebody's life.

More and more people began to listen to Paul. He grew more and more powerful as he told more and more people the Good News. Many in the city became followers of Jesus.

How do you think Paul's *old* friends felt about all this? Remember that before, Paul had wanted to stop the Good News from spreading. He had done all that he could to make sure nobody preached about Jesus. The religious leaders that Paul used to be with were furious. Remember that these people hated the Good News. They thought that God's love had to be worked for and earned. They didn't like Paul preaching that Jesus' love was a free gift we can receive.

The religious leaders decided they needed to stop Paul. They made a plan to kill Paul as soon as they had the chance. Paul heard about the leaders' plan to get rid of him. All day long and every night the religious leaders watched for Paul. The city of Damascus was surrounded by a wall. People could only come in and out through the city gates. The leaders watched the gates, waiting to see Paul so they could kill him.

The other followers of Jesus were Paul's new friends. They helped Paul escape from the religious leaders' trap. One night they hid Paul in a large basket. They tied ropes to the basket and lowered Paul through a hole in the city's wall.

Paul had to decide where to go next. Before he trusted Jesus, Paul had lived in Jerusalem. If he returned there everybody would recognize him. The religious leaders would certainly try to kill him. More than anything, Paul wanted to keep spreading the Good News. He returned to Jerusalem.

When Paul arrived in Jerusalem he began to preach about Jesus there. The other believers there were afraid. They did not trust Paul. They did not believe he had really begun a new life following Jesus. One of the believers was a very kind man named Barnabas. Barnabas could see the difference in Paul's new life. He took Paul to the rest of the believers. Barnabas told them how Paul had met Jesus. He told them how Paul bravely preached the Good News in Damascus. The believers welcomed Paul.

Paul preached about Jesus all over Jerusalem. He argued against the religious leaders and proved over and over that Jesus really is the Savior of the world. The religious leaders in Jerusalem became just as angry as the leaders in Damascus had. They tried to kill Paul but the other believers helped him escape to another city.

The Good News continued to spread from Jerusalem. God helped the believers to be brave. More people were trusting Jesus to save them every day. They thanked God for all he was doing for them.

It's amazing to remember how Jesus changed all those lives. He took ordinary people just like you and me and used them to spread the Good News. People like Paul risked their lives many times to make sure that others heard about Jesus. The Good News was so exciting to them that nothing could stop them from sharing it.

Paul wrote in his letter called Romans that "When you sin, the pay you get is death. But God gives you the gift of

Day Two

eternal life because of what Christ Jesus our Lord has done.” He meant that the wrong things we do push us away from God: away from the perfect plan He has for us here and away from spending forever with Him. We thank God that He offers us a free gift instead.

Paul wanted all of his readers to know that no matter how hard we try we can never *earn* the love of God because we all mess up. The Good News tells us that we don’t have to earn the love of God. God just loves us. He loves us so much He gave His own Son so that we can be forgiven of our sins. He offers us the free gift of being saved. If you want to know more about how to accept this free gift, just ask us. We would love to help you know how.

Each day you will close the story time with an invitation to accept Jesus. Say something like this: God wants everybody to follow Him. The problem is that sometimes we do bad things that the Bible calls sin. A sin is anything that we do that God does not want us to do. God still loves us, even though we sin. That’s why Jesus came. Jesus died on the cross to be punished for our sins. Then on the third day He came back to life. Now, for anybody who asks, Jesus will take away our sins and become a part of our lives. He will help us to follow Him. The Bible says that if we believe Jesus in our hearts and follow Him, He will save us from our sin and help us to follow God. Then one day we will be with Him forever. Anybody that wants to choose to follow Jesus can do that today. We would love to help you know how.

Prayer Time

Take this time after the story to pray with the children in your small group. Ask them for things they would like to pray about. Tell God how awesome He is. Ask Him to help you and the children in your small group to listen to God and obey Him. Pray that the children in your group will get to know God and feel the love He has for them.

Craft

While still in your small groups, lead the children in making the craft or filling out the activities packet for the day. The craft time is not only a way to reinforce the lesson, but it also allows time to get to know the children in your small group. During this time, ask them questions about their families, friends, and school. Invest in their lives. Crafts and supplies will be provided while you are at Mission Arlington.

Memory Verse Activity

Each day the small group time will include a Memory Verse Activity. The Memory Verse time is one of the most important activities of the day. We want these children to remember God’s word and why it is important to them. A list of potential activities is included in the Supplements and Handouts portion of this packet. Use a different idea from that list each day to help the children learn the words of the verse and to explain why it applies to their lives. (Some require extra preparation, so be sure to review the list in advance.) The memory verse for this week is:

But God showed his great love for us by sending Christ to die for us while we were still sinners. Romans 5:8

Spanish: Pero aunque nosotros todavía éramos pecadores, Dios nos demostró su gran amor al enviar a Jesucristo a morir por nosotros. Romanos 5:8

Wrap Up

Each day you will end your Rainbow Express in a second large group session. Have all the children return to the tarp where you started. Sometimes the movement from small groups to large group becomes distracting,

Day Two

especially to younger children. If you find your children becoming noisy as you return to your large group, consider singing a few songs to help everybody focus again.

The last thing you will do before games and snacks is to review the memory verse and the day's lesson. Have the large group leader give a brief re-telling of the day's story. As you tell the story, frequently pause to let the children answer questions and fill in the blanks about the lesson. When you finish reviewing the story, have everybody say the memory verse together one last time. After reviewing the memory verse, pray before dismissing to game time and snacks.

Game Time/Snacks

When you are finished, pray together and be ready to play games until the end of the Rainbow Express program. After the game time, pass out snacks, clean up the area, and walk everyone home. Return to Mission Arlington to turn in your materials and attendance sheet.

Pre-Rainbow Express Gathering

You will begin each day by knocking on doors and then playing games to help attract children to your Rainbow Express.

Song Time/Puppets

When it is time to begin your activities, have all the children sit down in a large group. It would be helpful to bring a tarp for them to sit on. When the children are together and seated on the tarp, begin your song time.

The Song Leader will come to the front of the group to lead songs. One or two others may also want to come to the front to help show motions. Be sure to have several songs ready to sing and that everyone in the group knows the songs.

During this time you will also have the puppets sing their song(s). Doing the puppet show in between songs can help keep the children's attention. You are provided with one song for each day. If the children are responding well and enjoying the puppet music, it is okay to perform more than one of the songs and repeat the songs from day to day.

Testimony

The theme for this whole week of Rainbow Express is being certain of who Jesus is. Each day you will be sharing stories, songs, crafts, and other activities that help the children understand that we can be sure that Jesus Christ is our only Savior. Obviously, the decision to follow Christ is an incredibly personal decision. It is important that the children and youth who attend your Rainbow Express understand that a personal relationship with Christ is a very important reality for the members of your group. Every day during the opening time one or two members of your group can share a short version of their testimony in front of the large group. The goal is to let the children see how listening and obeying as God has spoken in your life has made a practical and meaningful difference. *(For help on sharing in a way that will be age-appropriate and meaningful with children, each person who plans to give their testimony should read the sheet Tips on Preparing Your Testimony in the training materials section of this packet.)*

TIP—The Large Group Leader should serve as a sort of “master of ceremonies” to keep each activity flowing smoothly. He should not, however, tell the day's Bible story. That will go much smoother in the small group time. Children listen more attentively in smaller groups.

Memory Verse Activity

When the Large Group Leader finishes his opening time, the Memory Verse Teacher will come to the front to lead the memory verse activity. The large group memory verse activity for day three is “Teams”. Have your poster of the memory

Day Three

verse available. Read through the verse all together several times to practice. Divide your children into teams. Have the teams compete saying the memory verse many different ways: loudest, softest, fastest, slowest, telephone style, English, Spanish, with hand motions, etc.

Introduction of Today's Story--Building the Foundation

When the memory verse teacher is finished, the Large Group Leader will return to the front to provide a brief introduction to the day's theme and story. Each day you will re-introduce the concept that the Bible tells us that truth about God's love and the Savior He sent for us.

Begin by thanking everybody for being at Rainbow Express today. Always be sure to recognize and welcome anybody coming for the first time. As with the previous days, help the children understand that you are here this week with Mission Arlington so they will connect what you do this week with the ongoing ministry happening in their community.

Review what you have learned so far this week. Ask the children questions to help them remember the previous days' stories and how they connect to the memory verse you are learning this week.

Tell the children that today we're going to see that the Good News about Jesus is not *one* way to know God and go to Heaven. Knowing Jesus is the *only* way to know God and go to Heaven. It's important that we understand that knowing Jesus isn't just one good idea we add into our lives, it's the very thing that our whole lives are based on.

People talk about lots of different ways to have a relationship with God or to end up in Heaven one day. Ask the children to name some ideas they've heard about how somebody can go to Heaven. As always, have some members of your group prepared to help jumpstart the answers if necessary. Typical responses from children will include good behavior, going to church, being baptized, and more depending on what type of religious background, if any, they have.

Explain that ever since people first sinned they have been trying to find ways to save themselves so they can go to Heaven. But the Bible tells us that there is no other way to have a relationship with God but to trust in Jesus to forgive us.

Tell the children that today you are going to learn how Paul explained the Good News to people that were trying to find another way to go to Heaven.

Small Group Story Time

When the Large Group Time is over, divide the children into small groups for story time. The text provided here is to serve as a guide for you while you tell the story. Read it through several times and be able to tell it from memory. It is not important to be able to recite this story word-for-word. Your goal is to be able to relate the story to a level children will understand. Use the wording included here as suggestions to help you make these concepts understood by elementary age children. Feel free to adapt these words to fit well with your own style.

Today's Story:

This week we are talking about the Good News of Jesus. The first day we learned how Paul met Jesus and learned the Good News that God loved him. Yesterday we learned how Paul risked his own life to help other people know the Good News. Today we're going to talk again about why that Good News is so special. We're going to see that trusting and following Jesus is the *only* way to come to God.

Day Three

Yesterday we talked about Paul traveling to Jerusalem to tell the people there about Jesus. Paul continued travelling and became one of the first *missionaries*. That means he travelled through many different places in the world, always sharing the Good News of Jesus as he went.

Once, Paul travelled with his friend Barnabas to a city called Lystra. The people in Lystra really needed to hear the Good News. They believed in a group of pretend gods. They thought these fake gods would do things for people if people offered gifts to statues of the gods. The one true God sent Paul and Barnabas to Lystra so that they could share the true Good News with them.

One day Paul was teaching a group of people about Jesus. There was a man in the crowd who had been born with feet that did not work correctly. This man had never walked. As Paul was speaking he saw the man listening. Paul could see that the man believed what he was hearing about the one true God. Paul looked directly at the man and said “Stand up on your feet.” In that moment God healed the man’s legs. This man had never been able to walk, but suddenly he jumped up and began to walk around. God had shown His love for us by healing that man.

When the crowd saw what had happened they were amazed. They thought Paul and Barnabas were two of the gods they believed in. The Lystrans used to offer sacrifices to their gods. They thought their gods would be mean to them if they did not. They didn’t even know their gods were pretend. Now that they thought Paul and Barnabas were gods, they prepared to offer sacrifices to them. The rumor that two gods were visiting spread quickly through the city. The Lystran priests brought animals and wreaths to celebrate.

When Paul and Barnabas heard what happened they became very upset. They did not want the Lystrans to think they were gods. They wanted the Lystrans to know the Good News of the one true God. Paul and Barnabas rushed into the middle of the celebrating crowd. They tore their clothing to show how upset they were. “Why are you doing this?” they shouted. “We are only humans like you. We are bringing you good news, telling you to turn from these worthless things to the living God, who made heaven and earth and sea and everything in them.” (See Acts 14:15, NIV)

They told the Lystrans that God was working to show the whole world who He is. They explained that God had been showing them His kindness all along by sending rain to make their food grow and helping them to be happy. Even though they explained the truth about God it was hard to keep the Lystrans from believing they were some of the pretend gods.

The Lystrans had believed in other ways to know God for so long it was hard for them to accept the true Good News about Jesus. Paul and Barnabas wanted them to know about the free gift of salvation God offers if we will accept Jesus. We don’t have to offer sacrifices for God’s love. Instead, Jesus sacrificed Himself so that we could have God’s love.

Paul always taught the people about what Jesus did for all of us. He told the people all about Jesus’ life. He told how Jesus was God’s Son. He told how Jesus came and never did anything wrong. Paul explained that Jesus was the only person who had never sinned. Paul told the people about all the amazing things Jesus did, and all the ways that Jesus helped people.

Finally, Paul told of Jesus’ death. He told how Jesus had let soldiers drive big nails into his hands and feet. They nailed Jesus to a wooden cross. Jesus died on that cross. Jesus died so that he could take the punishment for our sin. Paul told how on the third day, Jesus came back to life. Now anybody that wants can ask Jesus to be in his or her life.

Day Three

We have Paul's letter *Romans* as part of our Bible. Our memory verse this week comes from Romans. In chapter five of Romans it says:

“At just the right time Christ died for ungodly people. He died for us when we had no power of our own.⁷ It is unusual for anyone to die for a godly person. Maybe someone would be willing to die for a good person.⁸ But here is how God has shown his love for us. While we were still sinners, Christ died for us.⁹ The blood of Christ has made us right with God. So we are even more sure that Jesus will save us from God's anger.¹⁰ Once we were God's enemies. But we have been brought back to him because his Son has died for us. Now that God has brought us back, we are even more secure. We know that we will be saved because Christ lives.” (Romans 5:6-10 NIRV)

That is the Good News! Because we have done so many wrong things God has every right to be angry and hate us if He wanted to. That's why Paul wrote we were enemies of God. Instead of hating us though, God loves us and decided to make us friends. He sent Jesus to die for us. Jesus took the punishment you and I deserve so that we can be forgiven and a part of God's family. If you want to know more about the Good News and how to let Jesus be in your life, please ask us. We would love to help you know how.

Each day you will close the story time with an invitation to accept Jesus. Say something like this: God wants everybody to follow Him. The problem is that sometimes we do bad things that the Bible calls sin. A sin is anything that we do that God does not want us to do. God still loves us, even though we sin. That's why Jesus came. Jesus died on the cross to be punished for our sins. Then on the third day He came back to life. Now, for anybody who asks, Jesus will take away our sins and become a part of our lives. He will help us to follow Him. The Bible says that if we believe Jesus in our hearts and follow Him, He will save us from our sin and help us to follow God. Then one day we will be with Him forever. Anybody that wants to choose to follow Jesus can do that today. We would love to help you know how.

Prayer Time

Take this time after the story to pray with the children in your small group. Ask them for things they would like to pray about. Tell God how awesome He is. Ask Him to help you and the children in your small group to listen to God and obey Him. Pray that the children in your group will get to know God and feel the love He has for them.

Craft

While still in your small groups, lead the children in making the craft for the day. The craft time is not only a way to reinforce the lesson, but it also allows time to get to know the children in your small group. During this time, ask them questions about their families, friends, and school. Invest in their lives. For today's craft, you will be making salvation bracelets.

Salvation Bracelets

Supplies: For each child—one string or cord for bracelet, and five beads, one each of red, black, white, green, yellow.

For instructions on how to make today's craft, see the following pages. Step by step instructions on which order to put the beads on the bracelet and bilingual explanations of the colors' meanings are included. You will also find optional hand out pages to give the children to help them remember the meaning of the bracelet. During this craft you will be explaining God's plan for salvation. It is very important that you approach it with sensitivity to children that may be ready to make decisions to accept Christ. Please spend time in practice and prayer so that

Day Three

you will be ready when the time comes to clearly explain what salvation means.

Memory Verse Activity

Each day the small group time will include a Memory Verse Activity. The Memory Verse time is one of the most important activities of the day. We want these children to remember God's word and why it is important to them. A list of potential activities is included in the Supplements and Handouts portion of this packet. Use a different idea from that list each day to help the children learn the words of the verse and to explain why it applies to their lives. (Some require extra preparation, so be sure to review the list in advance.) The memory verse for this week is:

But God showed his great love for us by sending Christ to die for us while we were still sinners. Romans 5:8

Wrap Up

Each day you will end your Rainbow Express in a second large group session. Have all the children return to the tarp where you started. Sometimes the movement from small groups to large group becomes distracting, especially to younger children. If you find your children becoming noisy as you return to your large group, consider singing a few songs to help everybody focus again.

The last thing you will do before games and snacks is to review the memory verse and the day's lesson. Have the large group leader give a brief re-telling of the day's story. As you tell the story, frequently pause to let the children answer questions and fill in the blanks about the lesson. When you finish reviewing the story, have everybody say the memory verse together one last time. After reviewing the memory verse, pray before dismissing to game time and snacks.

Game Time/Snacks

When you are finished, pray together and be ready to play games until the end of the Rainbow Express program. After the game time, pass out snacks, clean up the area, and walk everyone home. Return to Mission Arlington to turn in your materials and attendance sheet.

Day Three Craft

Note-When explaining the meanings of the colors refer to the bead and the sin it represents as dark rather than black.

DARK- This reminds us of sin. Sin is anything we do that is not what God wants us to do. The Bible says that everyone has sinned.

OSCURO- *Este representa el pecado. El pecado es cualquier cosa que hacemos que no complace a Dios. La Biblia nos dice que todos hemos pecado.*

RED- This reminds us of Jesus' blood. Jesus was God's Son and He died on the cross to pay the punishment for our sins.

TIP—This page is given for small group leaders to use as a guide to help them when explaining the meanings of the colors. The next two pages are intended as optional extras you can send home with your Rainbow Express students to help them remember the meaning of the bracelet.

ROJO- *Este representa la sangre de Jesús. Jesús es el Hijo de Dios y El murió en la cruz para pagar por las consecuencias de nuestros pecados.*

WHITE- This reminds us of our new lives. The Bible says that after we have accepted Jesus, we are brand new. He cleans out the sin that was in us. Jesus is in our lives! He will never leave!

BLANCO- *Este representa nueva vida. La Biblia dice que al aceptar a Jesús como nuestro Salvador, somos hechos nuevos. El limpia el pecado que estaba dentro de nosotros. ¡Esto es porque Jesús esta en nuestras vidas!*

GREEN- This reminds us that we are to grow as a Christian. In order to grow in our relationship with God, we need to pray, read the Bible, and hang out with other Christians by coming to Bible Study.

VERDE- *Este representa crecimiento como Cristiano. Para crecer necesitamos tener una relación con Dios. Esto es posible orando, leyendo la Biblia, y teniendo convivió con otros Cristianos por venir al Estudio Bíblico.*

YELLOW- This reminds us of Heaven! The Bible says that every person who has trusted Jesus to be his or her Savior will spend forever in Heaven with Him.

AMARILLO- *Este representa el cielo. La Biblia nos dice que cada persona que ha puesto su fe en Jesús como Salvador estará por toda la eternidad en el cielo a lado de El.*

It is important that the children and youth who attend your Rainbow Express understand that a personal relationship with Christ is a very important reality for the members of your group. Every day during the opening time one or two members of your group can share a short version of their testimony in front of the large group. The goal is to let the children see how listening and obeying as God has spoken in your life has made a practical and meaningful difference. *(For help on sharing in a way that will be age-appropriate and meaningful with children, each person who plans to give their testimony should read the sheet Tips on Preparing Your Testimony in the training materials section of this packet.)*

TIP—The Large Group Leader should serve as a sort of “master of ceremonies” to keep each activity flowing smoothly. He should not, however, tell the day's Bible story. That will go much smoother in the small group time. Children listen more attentively in smaller groups.

Memory Verse Activity

When the Large Group Leader finishes his opening time, the Memory Verse Teacher will come to the front to lead the memory verse activity. The large group memory verse activity for day four is “Next Word Relay”. Have your poster of the

Day Four

memory verse available. Read through the verse all together several times to practice. Divide the children into two or more teams. Then, split each team in half. Have the two halves face each other in a single file line, about ten feet apart. Have the first person on the team say the first word of the verse. That player then runs across and tags the first player in the line facing them. The first player then runs to the back of that line. The second player then says the next word in the verse, then runs across to tag the player on the opposite line. Keep going until each team has said the whole verse. You may want to bring a stopwatch to time the children and see which team can do it the fastest.

Introduction of Today's Story--Building the Foundation

When the memory verse teacher is finished, the Large Group Leader will return to the front to provide a brief introduction to the day's theme and story. Each day you will re-introduce the concept that the Bible tells us that truth about God's love and the Savior He sent for us.

Begin by welcoming everybody to Rainbow Express. As with each day, introduce your whole group and welcome any new people here for the first time. Ask questions to review the week's stories and memory verse. Take special time to review the plan of salvation learned with yesterday's bead craft.

Yesterday we learned that Paul was one of the first *missionaries*, somebody who helps other people learn about Jesus. Tell the children that Jesus gave each of us the job of helping other people learn the Good News about Jesus. God wants all of us to be missionaries, too. We have the important job of helping to share the Good News.

Ask the children to give examples of times they have helped spread Good News. Like the previous days, have members of your group ready to help prompt the conversation. Use kid-relatable examples like telling a friend about a field trip coming up, telling a brother or sister about a new baby in the family, etc. Explain to the children that they can share the Good News about Jesus just like they shared those other pieces of Good News.

Have two or three members of your group share a brief (one-to-three minute) testimony of a time they helped another person know Jesus. Finish by explaining that this is the whole reason you have come to Mission Arlington this week. God has called you here to be missionaries to make sure these children get to hear His Good News. Explain after today God is sending you back home to your own towns to continue as missionaries there. God will help these children continue as missionaries here to help their own neighborhood learn the Good News they have learned this week.

Encourage them that God has a special plan to use those that have heard the Good News at Rainbow Express. They are a very important part of the mission to share that Good News with the world around them.

Small Group Story Time

When the Large Group Time is over, divide the children into small groups for story time. The text provided here is to serve as a guide for you while you tell the story. Read it through several times and be able to tell it from memory. It is not important to be able to recite this story word-for-word. Your goal is to be able to relate the story to a level children will understand. Use the wording included here as suggestions to help you make these concepts understood by elementary age children. Feel free to adapt these words to fit well with your own style.

Today's Story:

We have talked all this week about the Good News about Jesus. We learned that Paul became one of the first missionaries so he could help other people learn the Good News. Paul traveled to many places to talk about Jesus. During one trip Paul and his friend Silas went to the city of Philippi to tell people there how much Jesus loved them.

Day Four

While they were there, some men became very angry with them. These men hated Jesus, just like Paul used to. Paul and Silas were telling people to love Jesus, and that made these men upset.

They grabbed Paul and Silas and stole all their clothes. Then, in front of the whole city, they beat Paul and Silas. They hit them over and over again. Finally, they threw Paul and Silas into jail.

“Don’t let Paul and Silas escape,” they told the jailer. “If they get away, you will get in big trouble.”

The jailer did not want to get in trouble. He put Paul and Silas in the strongest jail. He put chains all around them and locked the door. “They can’t get out of here,” he thought. Then the jailer went to bed.

In the middle of the night, the other prisoners in the jail couldn’t sleep. There was a strange noise keeping them awake. Can you guess what the strange noise was? What noise would you hear in a jail? The prisoners heard happy singing!

Paul and Silas were chained up in their jail, but they were praying and singing. They sang songs about how much they loved God. They prayed and told God how wonderful they thought He was. Over and over, the two men told God in their prayers how much they loved Him. The other prisoners could not believe what they heard. Paul and Silas were chained up in a dark, smelly jail, but they were happy. Paul and Silas could not stop praying. They wanted to tell God more and more how much they loved Him.

Soon another noise joined the singing and praying. It was the sound of breaking walls and shaking metal. An earthquake happened in the jail. The chains around Paul and Silas broke and fell off. The locks broke in the prison. All the jail doors came open.

The loud noise woke up the jailer. He ran into the jail. Even in the darkness, he could see that all the chains and doors were broken. The jailer was very afraid. He knew the prisoners must have escaped. He knew he was going to be in very big trouble.

Then the jailer heard Paul’s voice. “We’re all still here. Don’t be afraid,” Paul shouted.

The jailer was amazed. Paul and Silas did not run away when they could have. They stayed behind so the jailer would not get in trouble. The jailer ran to Paul and Silas. He fell down on the ground in front of them.

“Sirs,” he asked “What can I do to be saved?” The jailer saw that the Good News had changed Paul and Silas. They loved Jesus so much that they wanted other people to know Jesus too. They loved Jesus so much that they even stayed in jail just so other people could have the opportunity to know Jesus. The jailer wanted that kind of Good News in his life too.

Paul and Silas helped the jailer stand up. “Believe in Jesus and you will be saved,” they answered.

The jailer took Paul and Silas to his own house. He gave them clean clothes to wear. He cleaned up their hurts from being beat and thrown into the jail. He invited his whole family to come and listen to Paul and Silas. The jailer wanted everybody in his family to hear about Jesus. Paul and Silas spent the night with the jailer, and his whole family believed in Jesus.

Soon, the news about what happened in the jail got to the men who put Paul and Silas in jail. The mean men decided they should let Paul and Silas go. Paul and Silas continued their trip, still telling everybody they could about Jesus.

Day Four

Paul and Silas were very brave in Philippi. They wanted very much for all the Philippians to love Jesus like they loved Jesus. They also wanted the Philippians to know the Good News that Jesus already loved them. Paul knew how important it is for people who know Jesus to help others know Him too. Romans is a letter Paul wrote that is now part of our Bible. In Romans chapter 10, Paul wrote that “Scripture says, ‘Everyone who calls on the name of the Lord will be saved.’ How can they call on Him unless they believe in Him? How can they believe in Him unless they hear about Him? How can they hear about Him unless someone tells them?”

God told Paul to write that so all of us can understand how important it is to tell the Good News to others. Think about the people in your life: your friends, your family, and your neighbors. God loves those people. He wants them to know how much He loves them. Just like Paul wrote, how will they know unless somebody tells them? You can tell them!

You’ll never be able to help another person know how much Jesus loves them if you don’t already understand how much Jesus loves you. He cares about you so much that He died for you so that you can be forgiven. That’s the best news of all. If you want to know how to believe the Good News and have Jesus in your life, please ask us. We would love to help you know how.

Each day you will close the story time with an invitation to accept Jesus. Say something like this: God wants everybody to follow Him. The problem is that sometimes we do bad things that the Bible calls sin. A sin is anything that we do that God does not want us to do. God still loves us, even though we sin. That’s why Jesus came. Jesus died on the cross to be punished for our sins. Then on the third day He came back to life. Now, for anybody who asks, Jesus will take away our sins and become a part of our lives. He will help us to follow Him. The Bible says that if we believe Jesus in our hearts and follow Him, He will save us from our sin and help us to follow God. Then one day we will be with Him forever. Anybody that wants to choose to follow Jesus can do that today. We would love to help you know how.

Prayer Time

Take this time after the story to pray with the children in your small group. Ask them for things they would like to pray about. Tell God how awesome He is. Ask Him to help you and the children in your small group to listen to God and obey Him. Pray that the children in your group will get to know God and feel the love He has for them.

Craft

While still in your small groups, lead the children in making the craft or filling out the activities packet for the day. The craft time is not only a way to reinforce the lesson, but it also allows time to get to know the children in your small group. During this time, ask them questions about their families, friends, and school. Invest in their lives. For today’s craft time you will give each child an activity packet with pictures to color and various puzzles to solve.

Memory Verse Activity

Each day the small group time will include a Memory Verse Activity. The Memory Verse time is one of the most important activities of the day. We want these children to remember God’s word and why it is important to them. A list of potential activities is included in the Supplements and Handouts portion of this packet. Use a different idea from that list each day to help the children learn the words of the verse and to explain why it applies to their lives. (Some require extra preparation, so be sure to review the list in advance.) The memory verse for this week is:

But God showed his great love for us by sending Christ to die for us while we were still sinners. Romans 5:8

Day Four

Spanish: Pero aunque nosotros todavía éramos pecadores, Dios nos demostró su gran amor al enviar a Jesucristo a morir por nosotros. Romanos 5:8

Wrap Up

Each day you will end your Rainbow Express in a second large group session. Have all the children return to the tarp where you started. Sometimes the movement from small groups to large group becomes distracting, especially to younger children. If you find your children becoming noisy as you return to your large group, consider singing a few songs to help everybody focus again.

The last thing you will do before games and snacks is to review the memory verse and the day's lesson. Have the large group leader give a brief re-telling of the day's story. As you tell the story, frequently pause to let the children answer questions and fill in the blanks about the lesson. When you finish reviewing the story, have everybody say the memory verse together one last time. After reviewing the memory verse, pray before dismissing to game time and snacks.

Game Time/Snacks

When you are finished, pray together and be ready to play games until the end of the Rainbow Express program. After the game time, pass out snacks, clean up the area, and walk everyone home. Return to Mission Arlington to turn in your materials and attendance sheet.

For this reason I kneel before the Father, from whom his whole family in heaven and on earth derives its name. I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God.

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.
