**TILLIE BURGIN**

**Thank you** for being so faithful and for staying strong with your support and help.

You make it possible for us to stay strong - for all of those in our city who are facing a crisis of some kind.

We know you give support through your prayers, and the gifts that you bring make such a difference. We are grateful.

Recently, we were asked, "What do you need?" A young mom standing close by, hearing the question, replied "*We need people who care like you do.*" The donor was so grateful to receive such a response that she went home and brought more to help.

We have often said "*Mission Arlington® moves on the prayers and support of the people in our community.*" We are so grateful for you, and for the care. You are making a difference here!
