TILLIE BURGIN

I often think about ways we can let you know the difference you make, and are making, in the lives of so many people who come to the Mission for support of some kind.

You may not always hear about the impact of your gifts in the lives of those assisted, and we don't either, but on occasion, we will experience a note like this one:

Dear Bible Study Leader and Mission Arlington Pastor, I was just checking to see how you were. Also to tell you thank you for all you did for us during a rough time in our lives. You are truly a blessing, and I just wanted to say 'thank you' for those Bible Studies. They truly saved me from a whole lot of trouble, because I could have been anywhere, but you invited us weekly to come and hear about the Bible. I just want to say 'thank you.' You have no idea how you and the Mission helped to change my life.

We call ourselves a "Ministry of Ones," because every life, and every family matters - to God, and to us. Because you give, young families like this - not only receive lots of assistance, but are also able to experience God's Love. Thank you so much!
