**TILLIE BURGIN**

*“God didn’t go to all the trouble of sending His son merely to point an accusing finger, telling the world how bad it was. He came to help put the world right again” John 3:17, (Msg.)*

**T**his week we have had many visitors who came to take a tour of Mission Arlington®. Most of those who came left with a strong sense that *“We can do this in our neighborhoods.”*

You are part of a plan that God put in place many years ago. HE said to take care of the children. HE said to feed those and watch over those who are in trouble. He said to give in ways so that others could understand kindness and love - with no strings attached.

Thank you so much for being part of a very large family who are giving and supporting and looking for ways to help.

Always know *the Mission* is a place for you to serve, to give, and to help. We appreciate so much the way you constantly demonstrate God’s love here. It is amazing to see how God works through you.

**Y**ou are a blessing to all!  
We are truly grateful.

**We don't charge** for anything you provide. You give it, and we give it away. Every service is free. We don't sell or re-sell anything you give. Our administrative overhead is low, at **1.47 percent**, so that more than 98.5 cents of every dollar you give gets to the people.
