**GIVE THANKS  
WITH A  
GRATEFUL  
HEART!**

There is always excitement around *the Mission* when we see people getting the help they need. We are so blessed to be here. More than simply handing out what you so beautifully provide, it is important to us to treat each person with dignity & respect. We always hope that people will experience the Lord when they are here. We've noticed too that this is a place where you find people in need bringing comfort to one another.

One lady who was here for assistance recently said to another, "Aren't we grateful *the Mission* is here for us? I don't know why you are here," she said to the lady, "but I promise you that, even if you don't get all you need physically, you will be prayed for, and when you leave you will feel so much better." Then the lady said to her new friend, "If you don't have a ride home I will wait for you. *The Mission* is giving me a gas voucher so I can get to work, but I will have enough to take you home."

We love what we get to do here every day, and we are so grateful for the many different ways you make this journey possible.

## DR. GOODMAN STILL SERVES

Though injured in a high school football incident, Dr John Goodman established a thriving dental practice. Using braces to move himself about, patients were drawn to his effervescent personality and positive spirit. So are we.

Long a supporter of Mission Arlington® and our dental clinic, he volunteers with us every Tuesday assessing new patients. What a difference he makes. We are grateful.

**MORE THAN 1,300 PATIENTS A YEAR RECEIVE DENTAL CARE THROUGH THE SAXE CLINIC.**
