TILLIE BURGIN

I was asked one day, “Can you tell me in one sentence, ‘*What does Mission Arlington® do?*’” I quickly responded, “We take church to the people, and our definition of church is what we do 7 days a week, almost 24 hours a day. It is just a way of life for us.” That was the end of the discussion, but as I thought about that statement, reflecting on 36 years of ministry, and what God has put in place, you came to my mind, along with tears of gratitude.

A lady came in one day recently to bring a donation. She came through our front room and saw the crowd of people. There was standing room only. She stood and watched the people waiting for help. She saw a child playing with some toys that were in a box, and as she came into my office to give her donation, she was just beaming and stated, “*Those toys in the box were toys I brought here yesterday.*”

I share this story to let you know how quickly the items that you donate here are given to the people. Maybe all of the above is a long way to say “THANK YOU!” We experience the joy and gratitude as we give to the people from the generosity of your heart. So again I say, “Thank you,” and “We thank God for you.”
