TILLIE BURGIN

When you realize how time moves on so quickly, and we are looking back on 40 years of your faithfulness and support of Mission Arlington®, we have nothing but gratitude for you.

We have always wanted you to experience the love and appreciation we receive as God prompts you to provide, and we are able to give to others in need. There are so many stories over these 40 years of how God has used you to be a blessing to others that may never know all that you have done.

One story of your provision involved watching a young family waiting in front of the Mission office this week, desperately needing medical equipment for their dad, when a car drove up at just the right time to donate a wheelchair. Amazing.

This morning a man and his wife, who had just lost a child, came to the Mission office needing counseling. They were so grateful to find that we had a way to help. On another day, an older person was put out on the street and God, through you, provided shelter.

My prayer is that the thousands of people who have received help these first 40 years, will one day meet you and have a chance to personally say "Thank you."

Until then, I say "Thank you" and "Bless you," and "See you soon."

SCHOOL SUPPLIES FOR AISD STUDENTS

10,000+ students will receive school supplies

School supply costs continue to be high, and difficult for many families to afford. This generous community provides everything a student (k-12th) would need to start the school year right.
