DECEMBER 22, 2016 FACEBOOK REVIEW

MISSION ARLINGTON® HAS LOVED PEOPLE CONSISTENTLY FOR 30 YEARS!

The apartment community pictured in these two pictures to the right is the location of our first apartment Bible study we started in 1986. At the time, the apartments were

called the *New Orleans Court* apartments. Today, these apartments are called *St. Charles*. Ms. Rebecca, pictured above, has been the Bible study leader/pastor in this apartment community since August of 1998, about 19 years.

In 2004, Rebecca took a picture with a few of the youth from her apartment Bible study. In June of this year, these same students (minus 1), now young adults, came looking for Ms. Rebecca, and they sat for a new picture. Twelve years had passed since the first picture, but the love hadn't diminished. We are so grateful for the privilege we have of making spiritual investments in our community for life.

In 2016, we had a birthday. By God's grace, we have been "taking church to the people," "one life at a time" for 30 years.

We are so grateful for the constant support of this community as we look to the years ahead.

We are grateful for you!

TILLIE BURGIN, DIRECTOR

John 3:16a- "For God so loved the world that he sent his one and only son."

MISSION ARLINGTON® WORKS HARD TO BE TRANSPARENT & ACCOUNTABLE

1. We have a local and well-respected board of directors who meet monthly to pray, to support, and to watch over our work;
2. We submit our work each year to a well-respected and local CPA firm who is experienced in evaluating non-profit ministries;
3. We voluntarily submit to, and we are in good standing with, multiple charity watchdogs, including being recognized for **11 years in a row of 4-star ratings** by Charity Navigator. According to Charity Navigator, we are in the top 1 percent of charities they rate nationwide.
4. In 2016, our administrative overhead was marked at **2.7 percent**. This means that **97.3 percent of every dollar** directly ministers to people in need.
