

# Do Not Be Afraid! Jesus is the Prince of Peace!

25 DAYS OF ENCOURAGEMENT TO NOT BE AFRAID

CAST ALL YOUR ANXIETY ON HIM BECAUSE HE CARES FOR YOU. 1 PETER 5:7

## What You'll Need:

- scissors
- snack bag, envelope, or some container for the “ornaments”
- double sided copies (that are flipped on the long edge) of ornaments on pages 2a and 2b as well as 3a and 3b
- a Christmas tree of some sort (you can use a small real or artificial Christmas tree, or make a Christmas tree from a large piece of construction paper, pipe-cleaners, etc.)

## What You'll Do:

Before December 1st

1. Provide students copies of the Christmas Tree Ornaments.
2. Help students cut out each ornament and place it in a bag, envelope, or container.
3. Provide each student with a small tree and their bag of “ornaments.” Encourage your students to find a place at home to place or hang their Christmas tree. Instruct each student to hang an ornament a day on their Christmas tree beginning with #1 on December 1st. Also encourage them to read the passage on the back of each ornament and find the “Do Not Be Afraid.”
