poster board (optional)

INSTRUCTIONS:

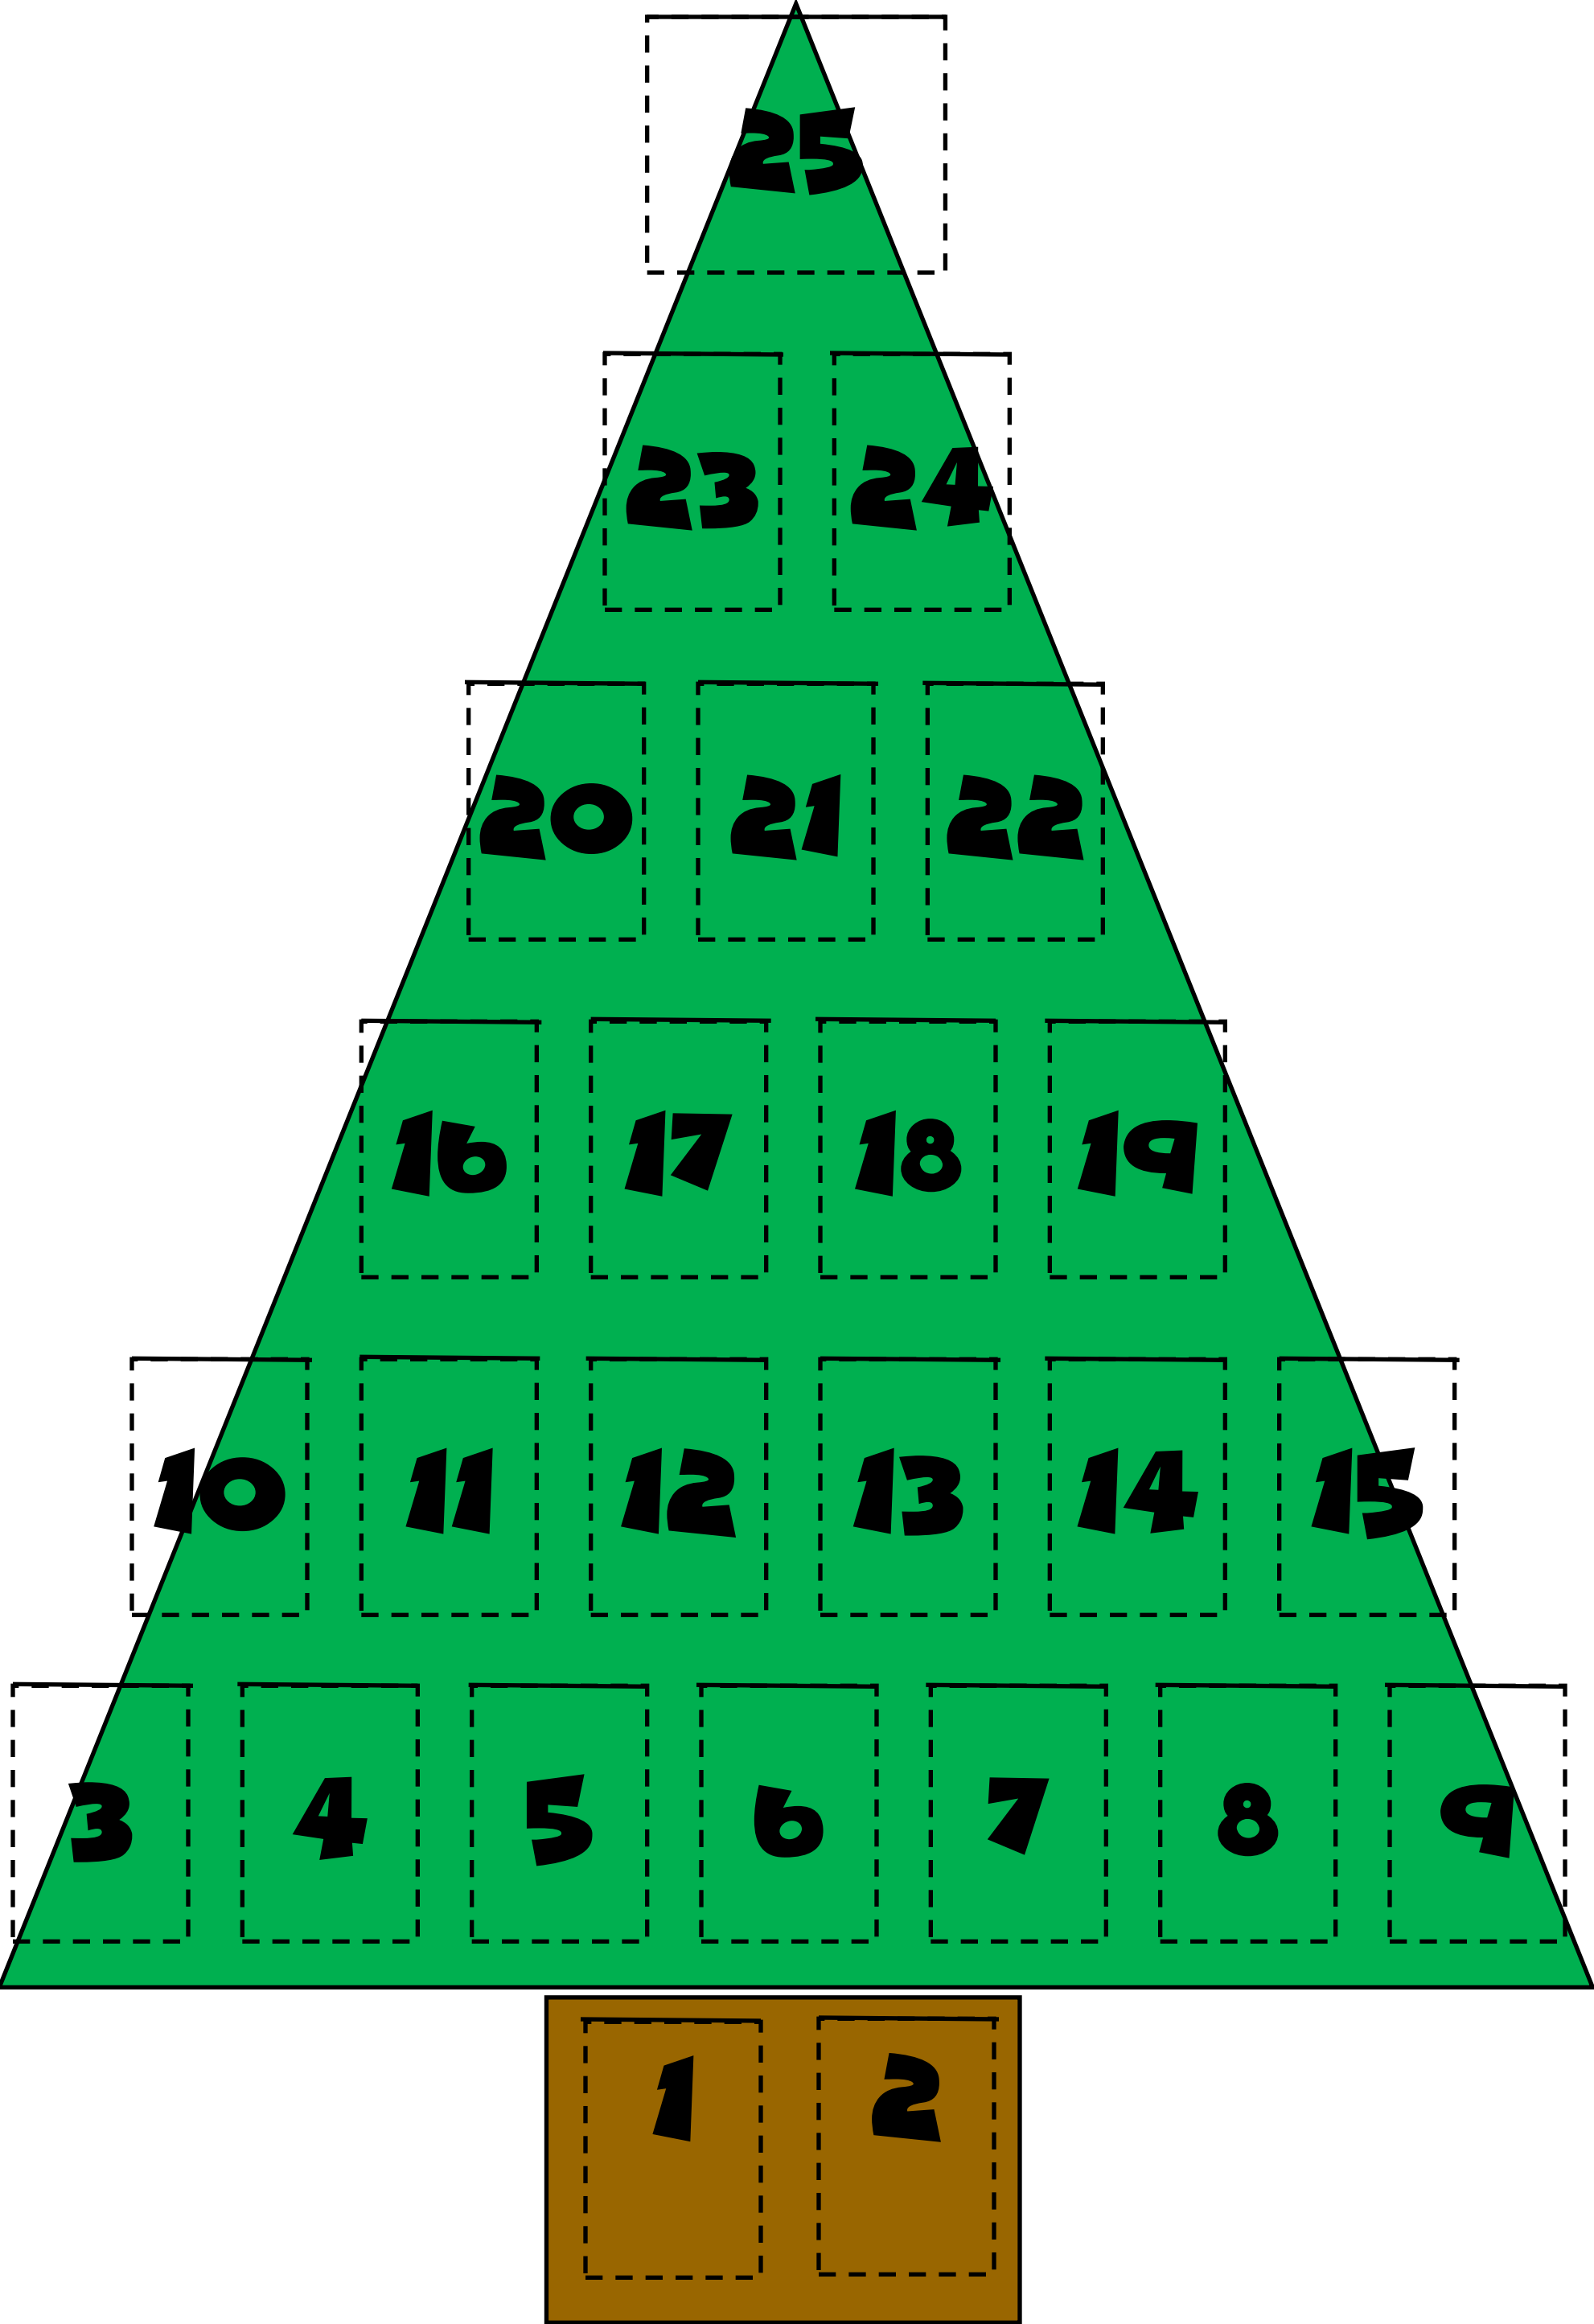

1. Color appropriate pages.
2. On the Christmas Tree Page, cut each box on the dotted lines. (If providing a color copy of this page, do all the cutting beforehand.)
3. Glue the Christmas Tree Page to Page 2, being sure to apply glue to the frame around, but not on, each box/flap.
4. Optional: Glue the Advent Calendar to poster board.

HOW TO USE:

Encourage your students to take their Advent Calendar home and place it somewhere that will remind them to use it every day. For each corresponding day of December, lift the appropriate flap and read the Bible Story. (For example: On December 1st, lift the flap labeled "1" and read the Creation story from Genesis 1.) Encourage them to think about how the story points to Jesus.
