#### Scripture

Then God commanded, "Let the earth produce all kinds of animal life: domestic and wild, large and small" - and it was done. So God made them all, and He was pleased with what He saw. Then God said, "And now we will make human beings; they will be like us and resemble us. They will have power over the fish, the birds, and all animals, domestic and wild, large and small." So God created human beings, making them to be like Himself. He created them male and female, blessed them . . .and it was done. God looked at everything He had made, and He was very pleased. Evening passed and morning came - that was the sixth day . . . Then the Lord took some soil from the ground and formed a man out of it; He breathed life-giving breath into his nostrils and the man began to live . . . Then the Lord God said, "It is not good for the man to live alone. I will make a suitable companion to help him." So He took some soil from the ground and formed all the animals and all the birds. Then He brought them to the man to see what He would name them; and that is how they got their names. So the man named all the birds and all the animals, but not one of them was a suitable companion to help him. Then the Lord God made the man fall into a deep sleep, and while he was sleeping, He took out one of the man's ribs and closed up the flesh. He formed a woman out of the rib and brought her to him. Then the man said, "At last, here is one of my

own kind - bone taken from my bone, and flesh from my flesh.

'Woman' is her name because she was taken out of man."

Genesis 1:24-31, 2:7, 18-23 (GNT)

## Lesson

What have we talked about so far in God's creation? What did God create on the first day? (day and night) And what did God create on the second day? (sky) What about the third day? (earth, sea and plants) And the fourth day? (sun, moon and stars) The fifth? (sea animals and birds)

On the sixth day of creation, God made all kinds of animals. What kinds of animals can you think of that God made? (Wait for answers.) Animals are wonderful, but do you know what? God decided to make something even more wonderful. God decided to make human beings, people! And the Bible says that God made us like Him. Of ALL the things God made (day and night, sky, the earth, the sea, plants and animals, the stars sun and moon) we are the only creation made like Him. He made people to be very special! God made man's body from the same matter He used to create the earth, but He breathed His soul and spirit into man.

The Bible also shares with us that He makes every one of us very special. He makes us just as He wants us to be. And He knows everything we will do for all of our lives - He knows these things even while we are still inside our mom! (Psalm 139:13-16) We are very special to God, so special that when we do those bad things that He already knew we would do, He has already made a way for us to be forgiven, cleaned. How did He do that? He sent His one and only Son, so that anyone who believes in Him will not perish, but will live forever with God in heaven! What do you have to do? Call out to God for help, confess that Jesus is Lord and believe that God raised Him from the dead. He tells us in Romans 10:9-10, 13 that everyone who calls out to the Lord for help will be saved. Tell Him you don't want to make your own decisions any more. Tell Him you need help and that you want to follow His example.

And if you have already called out to the Lord for help, but you ran away and tried to make your own decisions, then you need to talk to God and tell Him what you have done (even though He already knows) and ask Him to pardon you, to forgive you. And do you know what? He promises to do what is right and forgive us! (1 John 1:9) Let's spend some time talking to God, talking to the One who made us and wants to spend time with us . . .
